**October 31, 2007**

Present: *Chad Hanna, Bob Tibbetts, Paul Yates, Kristine Poland*  
Also present: *Sandee Brackett, Phil Congdon, Skip Hanna*

1. Reviewed application for abatement of property taxes assessed against tax map 22 lot 8 submitted by Harold Hanna. Skip receives a 20% working waterfront reduction. A 30% reduction is allowed if the property is to be used for commercial fishing purposes only. The applicant requested an additional 10% for a deeded right of way. Yates moved to approve the additional 10% reduction. The motion was seconded by Tibbetts and carried 3-0. Chad Hanna indicated that the additional 10% is separate from the working waterfront allowance.
2. Discussed pending hearing with the County Commissioners in the matter of Deborah Cleaves Scott v. Town of Bristol. Scott's lot depth appears to be incorrect on the property card. Hanna will contact Scott. No decision will be made until Bob Gingras is consulted.
3. Building permits:
  - ✓ Blair, tax map 4 lot 83-2, 96-07/08, approved
  - ✓ Huffman, tax map 27 lot 31, 95-07/08, approved
4. Reviewed memos provided by Code Enforcement for informational purposes only.
5. Reviewed and approved disbursement warrants for the week.
6. Tibbetts confirmed that ledge would need to be blasted in order to repair a portion of the Back Shore Road beyond the Coggins property. Hanna will contact the Postmaster.
