

The Bristol Planning Board met at 7:00 PM on November, 5, 2009, in the Bristol Town Hall. Present were; William Cummings, vice chair, Earle Cooper, Herbert Watson, and Jeff Eilenberg (Mr. Watson and Mr. Eilenberg as alternates being allowed to vote).

Mr. Cummings called the meeting to order and the minutes of the October meeting were accepted as distributed.

There was no old business.

New business, amendment to the Caledonia subdivision;

When the subdivision was created by Martin Moses it was noted on the plan "no vinyl siding". Since that time two houses have been built in the subdivision with vinyl siding and Mr. Moses wants the restriction removed. Discussion centered around being sure the restriction, if it exists, was removed from any deeds. Mr. Moses assured the committee that Atty. Gregory had taken care of that. It was then moved, seconded, and voted approve amending the Caledonia subdivision by removing the words "no vinyl siding" from the plot plan.

Next meeting, December 3, 2009

Adjourn 7:45 PM

Respectfully,

William Cummings
Vice Chair
