10. Any proposed structure within the Shoreland Zone (250' of any pond, river, or salt water body) must be approved by the Planning Board or Code Enforcement Officer and will require completion of a Shoreland Zoning Permit application.
11. Setbacks: No structure may be placed closer than 50 feet from the edge of the traveled way of any public or private road. No structure may be placed closer than 10 feet from property line. Any exception requires a variance.
12. Submit sketch and/or plot plan with distance to all boundary lines and building floor plans.
13. Any changes in project as submitted require Selectmen/CEO approval.
14. Any proposed dwelling requires an approved sewage disposal system.
15. A Certificate of Occupancy is required BEFORE any structure may be inhabited or used.

False information may invalidate a permit and require that work be stopped. Your signature authorizes inspections necessary to issue permit and insure compliance with regulations.

Note: All plumbing must have approval of Bristol Plumbing Inspector. Building permit applications submitted for either a mobile home or modular home must be accompanied by an internal plumbing permit.

I certify that if this permit is granted, I will conform to the provisions of all ordinances of the Town of Bristol, the Maine Uniform Building Code (MUBEC), and the National Fire Safety Association (NFPA) Life Safety Code 101.
