Subcommittee Progress

1. Please estimate the % completed of the cut and paste exercise?
2. Please estimate the number of hours you will need to complete the exercise; this may be difficult but you might measure by the number of meetings you think you will need to hold.
3. What month does that bring you to?
4. Do you need more help to complete the process before the February meeting? Can you specify how much (how many people and the subjects they would tackle?)
5. Which Subcommittees do you expect to collaborate with at the next stage?
6. Are you aware of any duplication of work so far and could you identify where that occurred?
