

**Harbor Committee Public Hearing
Bristol Town Hall
January 24, 2019**

The Public Hearing was opened at 6pm

There was no public comment. It was noted the current wording being proposed in the ordinance is similar to wording on the mooring permit application. All agreed that the similar wording reinforced the rule. There was discussion as to whether the mooring usage should apply to just New Harbor or all town harbors. On a motion by Stolecki and seconded by Benner and Hope, it was unanimously agreed to change the mooring usage to all town harbors.

The Public Hearing was adjourned at 6:10pm
