The meeting was called to order at 6:05pm.

**Minutes.**

The minutes from December 10, 2015 were approved unanimously.

**Columbia update.**

- A letter was received from Ron Hunt, Acting Director of Operations, Bureau of Parks & Lands concerning the abandonment of Columbia. The Department gave approval for Doug Wood to take possession of the watercraft.
- Wood is in touch with Stolecki and he reports that he is still having difficulties with the Town of Bremen.

**Harbor Master Reports.**

- Ball reports that the owner of RP 201 & RP 72 has not taken care of his moorings for winter use. Ball is concerned that others may follow suit. The committee voted on and unanimously agreed to send the mooring owner a 30-day notice letter.
- Two people are claiming the same mooring in Round Pond. Ball will continue to work on the ownership.
- Stolecki reports that a commercial mooring in Upper Pemaquid has been sold to a recreational boat owner. Per the ordinance, Stolecki will ask that the mooring be moved at least a berth's length away so the commercial mooring may remain commercial.

Meeting adjourned at 7:28pm. The next meeting date is TBD.
