

**Harbor Committee
Bristol Town Hall
July 25, 2019**

*Committee members present: Robert Ball, Troy Benner, Steve Hope, Rick Poland, John Stolecki Jack Tedrow**

The meeting was called to order.

Minutes

The minutes from June 27th were approved unanimously.

Harbormaster Reports

Round Pond

Ball reported a boat had recently sunk in the harbor and he had no way to identify the owner as it was a Sunday and state/local government offices were closed. LCSO refused to run the registration #. Ball noted he was unable to locate who was responsible for marine patrol in this area.

New Harbor

All quiet.

Pemaquid

Stolecki was contacted by a waterfront resident of the Upper Pemaquid River concerning the speed of boat traffic near his property. The resident reported that the "No Wake" buoy upriver from Hanna Landing and to the west of the 'mussel bar' is damaged and wondered about a replacement. It was also pointed out that the "5 mph, No Wake" sign at the entrance to Pemaquid Harbor was faded and could not be read. After discussion, and on a motion and a second, the committee voted 5 to 1 to discontinue "No Wake" service above the dock/floats at the state park.

Meeting adjourned. The next meeting will be held September 26, 2019 @ 6 pm. Agenda items to include: identification of mooring buoys, budget review.

Respectfully submitted,
John Stolecki
