

**Harbor Committee
Bristol Town Hall
August 24, 2017**

Committee members present: Robert Ball, David Caron, Steve Hope, Rick Poland, Jack Tedrow

Also present: Leon MacCorkle

The meeting was called to order at 6:02 pm.

Minutes.

On a motion by Poland and seconded by Ball, the minutes from July 27 were approved unanimously.

Round Pond.

MacCorkle reported a possible abandoned sail boat. It has been on a borrowed mooring for some time and no one seems to be tending it. Ball will look into the ownership of the boat. Ball reported erratic operation of a jet-ski within the Harbor. He spoke with the operator who agreed to slow down. There was general discussion about the lack of law enforcement in Round Pond.

There was discussion about the parking lot at the Round Pond town landing. The summer months are busiest and overcrowding is an issue. Currently, the Round Pond Village Improvement Society owns and is responsible for maintaining the parking lot, boat ramp and both public landings.

Other Business.

The most current Harbor & Landing budget was reviewed.

Harbor Masters requested that they be notified of all new dock applications.

Meeting adjourned at 6:56pm. The next tentative meeting will be held on September 28 @ 6 pm.

Respectfully submitted,
