

**Bristol Parks & Recreation
Ellingwood Information Center
March 1, 2022**

*Commissioners present: Clyde Pendelton, Sandra Lane, Laurie Mahan
Also present, Pat Porter, Chris Hall, All-Points Pest*

Meeting called to order at 6:02 P.M. with the Pledge of Allegiance.

Minutes

Laurie made a motion to approve the minutes from the February 15 meeting, Sandra seconded, and motion carried.

Ellingwood Pesticide Bid

At this time, it was not felt that there was a need for this product at Ellingwood, they are to get us a bid for the ballfield.

Memorial Picnic table at the lighthouse

A request has been made to place an additional picnic table at the lighthouse. The Commissioners reviewed locations and approved the placing of the table. Laurie first, Sandra seconded, the motion carried.

Digital Sign Ordinance

The ordinance covering the digital sign expires in 2023 so it has been recommended that the parks decide if they wish to keep the sign and if so, work towards getting a warrant on the 2023 Town Report. It was decided to place a listing on the Facebook page for comments on the sign.

Signs Marking Property Boundary

Parks will not be placing signs at this point.

Memorial Bench at Lighthouse Park

Due to the fact that benches need to be secured to the ground it was determined that we could not put another bench that would interfere with Life Flight and Santa Fight landings. The Park will, however, allow an Adirondack chair which can be removed for incoming flights.

Water Grants

Parks will notify the State when we reopen the Parks and they will guide us concerning the required well test for public water supply.

Adding an additional administrator to the Facebook Page

Seth has been added to the Facebook page, but all posts will have to go through Laurie.

Moving Contract

Parks will request a new contract from the previous mowing contractor.

OLD BUSINESS

Art Gallery

Final decision regarding the placement of a new sign is pending submission of the Art Gallery's revised signage.
