

Shellfish Conservation Committee
December 2, 2019
Bristol Town Hall

Committee Members present: Scott Burke, David Cheney, Steve Lackovic, Ronald Poland, Steve Termine

Minutes

On a motion by Lackovic and seconded by Termine, the minutes of November 4 were approved unanimously.

Lottery Plan.

On a motion by Lackovic and seconded by Termine, the 2020 Annual Shellfish License Sale and Lottery Plan was approved unanimously. All committee members signed the plan.

Grant.

The Maine Shellfish Restoration Resilience Project awarded the committee a grant earlier this year. They have requested a follow-up report on the project. The follow-up report was reviewed and approved.

Watershed Project.

A draft report from FB Environmental was received. Maggie Burns will be added to the agenda for the January meeting for a full review of the report.

Student Licenses/Ordinance Amendments

Tabled until January/February.

Conservation

The January 1 opening of Schoolhouse Cove was approved by DMR. A public notice will be placed in the LCN.

Adjournment due to crappy weather and hunger. The next meeting will be held on Monday, January 6 @ 6:30pm. Agenda items to include: update on the Pemaquid River Watershed Project, ordinance amendments.

Respectfully submitted,
Steve Lackovic
