2020-2021 Mooring Application Process

1. Complete the mooring application in its entirety. Complete a separate application for each mooring. Return via mail, in person, or email to clerk@bristolmaine.org. Incomplete applications will be considered null and void.
2. All applications that have been completed will be reviewed and approved by the Harbormaster. Once approved a copy will be emailed or mailed to you.
3. The Town of Bristol Harbor Ordinance is available at the Town Office or online at www.bristolmaine.org under ordinances. Please take the time to read and familiarize yourself with the ordinance and its regulations.
4. All mooring inspections must be completed at a minimum of every 3 years.
5. The mooring number and the owner's last name must show on the mooring buoy. Please provide proof by submitting a picture of your mooring buoy. This will become mandatory for the following mooring cycle (2022).
6. Mooring owners are responsible for the maintenance of their moorings and will be liable for damages caused by faulty or inadequate equipment.

Our goal is to ensure compliance of mooring regulations within the Town of Bristol and the State of Maine. Mooring ownership and the use of public landings in Bristol are a privilege. Please use them responsibly and have consideration for others.
