911 Reflective Sign Installation Guidance

COMPLIANCE: All owners of structures shall, on or before the effective date of this ordinance, display and maintain in a conspicuous place on said structure, the assigned numbers in the following manner:

A. Number on the Structure or Residence. Where the residence or structure is within 50 (fifty) feet of the edge of the road right-of-way, the assigned number shall be displayed on the front of the residence or structure in the vicinity of the front door or entry.

B. Number at the Street Line. Where the residence or structure is over 50 (fifty) feet from the edge of the road right-of-way, the assigned number shall be displayed on a post, fence, wall, mail box, or on some structure at the property line adjacent to the walk or access drive to the residence or structure. (Not across the street).

C. Size and Color of Number. Numbers shall be displayed in a color and size approved for use by the Board of Selectmen and shall be located as to be visible from the road.

D. Every person whose duty is to display the assigned number shall remove any different number which might be mistaken for, or confused with, the number assigned in conformance with this ordinance.
