

# Use FEMA Grants for Intended Purpose

---

FEMA reminds Mainers who receive federal disaster assistance for the **January 9-13** severe storm and flooding in the designated eight counties (**Cumberland, Hancock, Knox, Lincoln, Sagadahoc, Waldo, Washington and York**) to use the money for its intended purpose and to keep receipts for three years.

A letter explaining the purpose of assistance provided will arrive shortly after you receive the check or direct deposit payment, either in the mail or through your online account. FEMA assistance is intended to help applicants pay for temporary housing if they are unable to live in their home due to disaster damage and for home repairs, or replacement of damaged or lost personal property.

If you haven't received your letter, or don't understand it, you can get clarification from the help line at 800-621-3362.

If applicants spend the payment on anything other than its intended purpose, they may be ineligible for future disaster assistance. In some cases, FEMA may ask that the funds be returned.

Those receiving assistance are urged to keep receipts for their disaster spending for three years to document that the money was used to meet disaster-related expenses. If you receive an insurance settlement to cover the same expenses, you must reimburse FEMA. Audits are conducted to confirm funds were spent properly.

There are several ways to apply for FEMA assistance:

- Visit a Disaster Recovery Center. To find a center close to you, go online to: [DRC Locator](#), or text DRC along with your Zip Code to 43362 (Ex: DRC 04074)
