**Comprehensive Plan –
Governance and Regional Cooperation Subcommittee
MINUTES
Wednesday, October 27, 2021, at 8:30 a.m.
Town Office**

Present: Jamie Doherty, Brittany Gill

Reviewed the draft document.

Will eliminate the following paragraphs

Schools – clearly this is regional cooperation, but we will leave it to the school sub-C; changes appear to be needed but they will be more knowledgeable.

Library – there is no regional cooperation but will pass on the information we have to the Town Government sub-C as Town gives money to the library

Harbormaster – It will be covered in the Marine Resources Chapter and the likelihood of cooperation with South Bristol does not seem to be possible at any time in the future time.

Capital Plans – Bristol does not have one so the idea of coordinating spending with another town is moot.

We need to complete the paragraphs for:

LCTV – Brittany

Surface Water – Jamie

Regional Planning – hopefully Chris can help us do this

At this point we believe we are a committee of two.

Our plan is to update our draft one last time and give it one more review and publish sometime in November.

Next meeting: If needed, on a Fourth Wednesday of November at the Town Hall
