

# 2018 ANNUAL REPORT

BRISTOL, MAINE

Two Hundred Fifty-Third

ANNUAL REPORT

*of the*

MUNICIPAL OFFICERS

*of the Town of*

*Bristol, Maine*

Incorporated June 18, 1765

FOR THE YEAR ENDING DECEMBER 31, 2018

**The cover photograph of Pemaquid Falls** by Tom Field is courtesy of the Damariscotta River Association. The Falls are where the freshwater Pemaquid River meets saltwater. The lower, saltwater river forms the head of Pemaquid Harbor. Pemaquid Falls has been the site of Native American settlement for 5,000 years, and of European activity since Colonial Pemaquid was settled in the 1620s.

The historic Pemaquid Mill, astride the falls in the center of the folded-out cover, was purchased by the Damariscotta River Association in December 2018, following the closure of Hammond Lumber's lumber yard and hardware store. A water mill has been on this site for nearly 400 years. The mill building houses intact sawmill equipment including a water turbine dating from the first half of the nineteenth century. The Old Bristol Historical Society plans to restore and develop this into a museum under a 99-year, one dollar lease from the D.R.A.

Carl Poole, Jr., who operated Poole Brothers Lumber at the Mill for many years until its sale to Lavalley Lumber in 2005, passed away at the age of 74 on February 10, 2019.

Just below the Pemaquid Mill property is the Pemaquid Falls Town Landing, one of the Town's five public landings. The access road shown in the right center of the photograph will be re-graveled in 2019.

The productive shellfish beds in the upper harbor have long been closed to harvesting due to high levels of organic pollution. Most of the point sources of pollution – overboard discharges and non-functioning septic systems – have been repaired or replaced over the past three decades by the Maine Department of Marine Resources. Now the Shellfish Committee and the Pemaquid Watershed Association are working under a grant from the Maine Department of Environmental Protection to identify and control non-point sources – wild animals such as beavers, and agricultural runoff – mitigation of which may finally allow the Harbor to be opened for clam harvesting.

# Dedication

## **Bristol Veterans' Memorial**

*The 2018 annual Town Report is dedicated to the men and women of Bristol who have served their country as members of the Armed Forces. A Committee established in 2018 is working to create a permanent Memorial to those Veterans. A board listing the Veterans of World War II was erected in the 1960s, but has not stood the test of time. Now a permanent memorial is being planned for Ellingwood Park, and fundraising is under way by a volunteer committee co-chaired by Parks Commissioner Sandra Lane and Andrea Cox. Other members are Russell Lane, Lara Sargent and Joyce Thompson.*

*Bristol already has a Memorial to its Civil War Veterans, in the form of the Liberty Pole outside the Town Office in Bristol Mills. This will be re-assembled in 2019 following the donation of a new pine mast by Jay Crooker, whose great-great-grandfather donated the original mast in 1865.*

## Selectmen's Report

*Chairman Chad Hanna, Harry Lowd III, Paul Yates*

The Town of Bristol remains in strong financial condition, confirmed by our annual audit. We have continued to maintain a healthy budget surplus which should allow the Town to operate throughout the calendar year without the need for tax anticipation borrowing. Collections on property taxes remain excellent. Our thanks go out to all our taxpayers for their diligence in paying their property taxes.

In 2018 the Town paid off another long-term debt note, after paying off two in 2017. This leaves just one fire truck note, maturing in 2023, on which we are paying \$23,975 a year. We need to preserve our ability to borrow for future major expenditures such as bridge replacement and fire trucks.

The Town's valuation by the State surpassed a billion dollars at \$1,031,550,000 for 2019, the highest valuation in Lincoln County. When we receive the county tax assessment, we expect Bristol's share to be around \$1,375,000 – the second-largest claim on Town revenue after the School budget. This primarily funds law enforcement: the Lincoln County Sheriff's Office, the District Attorney's office, the courts, and the Two Bridges Regional Jail.

Bristol Consolidated School continues to grow the number of students enrolled, a welcome trend after decades of decline. The downside is, of course, increased costs. In 2019-20 the Town will have to fund a significant increase in high school tuition to Lincoln Academy, with at least 12 more students attending; and a major increase in the Special Education budget. But these are good problems to have. Bristol is an attractive place to raise a family, and the school is a key factor in attracting younger people to the community.

In 2018 road paving was undertaken on the Foster Road, Upper Round Pond Road, Fish Point, Beach Loop and Old Fort Road. As always, we thank the residents for their patience while these projects were completed. We also repaired the Varney Bridge on Redonnett Mill Road, a necessary step before replacing the fish ladder at the Bristol Mills Dam. This spring we will be seeking bids to replace the deteriorating bridge where the Upper Round Pond Road crosses the Pemaquid River, the largest project in this year's roads budget request. Bristol's town roads are in generally good shape. It would be nice to say the same for the state highways in Town. We hope that the Department of Transportation will carry out significant repaving on Route 130 in 2019.

The Town installed two solar electricity generating arrays in 2018, on the roof of the school and at the Transfer Station. These are now generating an average of 75% of the electricity consumed at the school, town offices, parks and fire stations, at a savings to the Town over the Standard Offer electricity price.

The 2018 edition of the Town Report is dedicated to Bristol's Veterans, and to the Veterans' Memorial Committee that is planning and fundraising for a permanent memorial to Bristol veterans of America's foreign wars. Veterans of the Civil War

are commemorated by the historic Liberty Pole at Bristol Mills, which will be re-erected in the spring. A new mast, donated by Jay Crooker, comes from the same property from which his great-great-great grandfather donated the original mast to the Town in 1865. The mast has been dried and turned in the traditional manner at Boothbay Harbor Shipyard.

In June we were pleased to award the Boston Post Cane to Georgina 'Gina' Rayburn, who, at 99 years young, is the oldest citizen of Bristol. We hope that she will keep it for a long time!

## **Town Administrator's Report** *Chris Hall*

2018 has been a busy year and 2019 looks like being busier!

In the Town Office, we said farewell to Deputy Treasurer Lisa Peters after four years' service, and welcomed Lindsay Currier to take her place. In addition to her bookkeeping responsibilities, Lindsay has plunged into helping Bristol Fire & Rescue to establish an annual children's Bicycle Safety Rodeo - her hobby is mountain biking.

At the Selectmen's direction, we continue to try to keep the claims on property taxes to a minimum. Bristol has the third lowest property tax rate in the state – though I like to point out that we have the lowest rate of any town over 1,000 residents! This is likely to increase in 2019 due to rising costs beyond our control – notably for increased school enrollment, for Lincoln County's assessment for the courts and police protection, and for the Central Lincoln County Ambulance service.

Wherever possible, major projects in Bristol will be funded from grant sources and from setting aside reserves. The Town has been fortunate to secure a number of grants in the past year, for projects of the Parks and Highway Departments, the Bristol Consolidated School and for the new Fish Ladder. Some of these have come from governmental sources but most have come from family foundations and individuals in the Bristol area. The generosity of residents has also been shown in the establishment of two new land preserves along the Pemaquid River, the Keyes Woods Preserve on Poor Farm Road and the Pemaquid Mill at Pemaquid Falls. No less than 420 individual donors made possible the acquisition of the Mill.

The river has been the focus of a lot of interest and work in 2018. This biologically rich watershed supports trout, bass and alewives as well as many less charismatic fish and invertebrates, and these in turn support growing numbers of eagles, ospreys, herons and otters. Pemaquid Falls, featured on the Town Report's cover, are the first obstacle faced by the returning alewives each year as they journey up the river to spawn in Biscay and Pemaquid Ponds. Since the acquisition in 2018 of the Pemaquid Mill by the Damariscotta River Association, a group has been studying how to ease the passage for the fish at the Falls, which will hopefully increase the number of fish which reach the upper river.

In 2018 volunteers recorded a record number of returns for recent years, with over 50,000 fish passing the fish ladder at the dam. Subject to permits from the state and the Army Corps of Engineers, we hope to replace the fish ladder in 2019 with a 'pool and weir' design fish passage similar to that at Damariscotta Mills. A preliminary step towards this project was the replacement of the bridge deck on Redonnett Mill Road, which will now allow construction vehicles to access the east side of the dam and the fish ladder.

2018 also saw a grant for the town's Shellfish Committee, jointly with the Pemaquid Watershed Association, to identify the sources of pollution that have closed much of the saltwater Pemaquid River to clam harvesting for many years.

This work will continue in 2019.

The big project in the 2019 Highway budget is the replacement of the Upper Round Pond Bridge across the Pemaquid River, just next to the Town Hall. The metal culvert installed in 1984 had a design life of 30 years, and is in urgent need of replacing. We plan to install a full span bridge which will ease passage for both fish below and cars above, and which will be clad in stone to give some resemblance to the original stone arch that was removed in 1984.

Two small but complicated projects will be completed this year. The Munro Bridge fire pond and hydrant, on Route 32 near the Round Pond Village tennis court, has finally received its permits and the work will be done this summer. The Liberty Pole in Bristol Mills, disassembled for a year now, has had its new mast cured and turned over the winter at the Boothbay Harbor Shipyard, and should be re-erected in the spring.

Bristol has been fortunate over the years in the quality and the dedication of the men and women who serve in elected office and who volunteer for the Town's various committees. It is a pleasure for me to work with some wonderful colleagues, and to be able to serve the people of the Town. Thank you!

# 2018 Assessors' Report

## COMMITMENT

<u>Description</u>	<u>Amount</u>
<b>Value of Real Estate (Taxable)</b>	<b>\$1,037,019.00</b>
• Land Value	\$523,574,000
• Building Value	\$513,445,000
<b>Value of Personal Property (Taxable)</b>	<b>\$6,398,230</b>
• Machinery & Equipment	\$5,665,400
• Business Equipment	\$471,530
• Other Personal Property	\$261,300
<b>Total Taxable Property</b>	<b>\$1,043,417,230</b>
<b>Rate of Taxation</b>	<b>\$6.25 per \$1,000</b>

## EXEMPTIONS

<b>Homestead Exemptions</b>	<b>(689 Exemptions)</b>	<b>\$13,773,300</b>
<i>(4 properties fully exempt – under \$20,000 assessment)</i>		
<b>Veteran Exemptions</b>	<b>(151 Exemptions)</b>	<b>\$906,000</b>
<b>Blind</b>	<b>(1 Exemption)</b>	<b>\$4,000</b>
<b>BETE Exemptions</b>	<b>(6 Exemptions)</b>	<b>\$6,266,570</b>

## The Collection of Taxes

Assessments are based on the status of property as of April 1<sup>st</sup> of the tax year. Valuations can be adjusted at any time during April, or until the taxes have been committed to the Tax Collector. Upon commitment, the valuations become permanent record and may be changed only through the abatement process. Tax bills will be mailed to the owner of record as of April 1<sup>st</sup>, and if known to the Town a copy will be mailed to any new owner. It is interesting to note that in Maine, there is no legal requirement for the Town to provide a tax bill.

The tax due date and the interest rate for late payment are determined by vote of the townspeople at the Annual Town Meeting held in March of each year. In 2019, the Selectmen will recommend September 16<sup>th</sup> for the due date and 8% for the interest rate on late payments. 8% is the maximum allowable interest rate in 2019 as set by the State Treasurer. Prepayment of taxes in any amount will be accepted at any time.

## The Lien Process

Between eight and twelve months after taxes have been committed, the Treasurer will place a lien on all real estate accounts with an unpaid balance. All lien costs must be paid by the delinquent taxpayer before the lien can be discharged. If the lien remains unpaid for 18 months after having been recorded, the Town becomes the owner of the property. At this point the prior owner may negotiate with the Selectmen to buy back the property, or the Town may sell the property at auction.

## **Property Tax Relief**

### ***Homestead Exemption***

You are entitled to a Homestead Exemption if:

- You are a legal resident of Maine as of April 1<sup>st</sup>, 2019 and have owned a homestead in the State of Maine for at least the past 12 months;
- You declare the homestead in Bristol is your permanent/primary residence;
- Is the only property for which you have claimed a homestead property tax exemption.

### ***Veteran's Exemption***

You are entitled to a Veteran's Exemption if you veteran or the widow of, who served active duty during a federally recognized war period and, if discharged or retired under honorable conditions. The Veteran must have reached age 62 or must be receiving a pension or compensation from the United States Government for total disability, either service or non-service connected. A DD 214 is required to be furnished with application.

### ***Blind Exemption***

You are entitled to a Blind Exemption if you have been determined to be blind by a licensed Doctor of Medicine, Doctor of Osteopathy or Doctor of Optometry. Appropriate documentation is required to be furnished to prove eligibility.

If you are already receiving any of these exemptions, there is no need to reapply. Applications are available at the Town Office or on our website at <https://www.bristolmaine.org/tax-collection-and-assessing> and must be filed on or before April 1<sup>st</sup>.

## **Current Land Use Programs**

The State of Maine has four "current use" programs that offer the property owner a reduction in assessed value: Farmland, Open Space, Tree Growth, and Working Waterfront. The programs establish valuation of property at its current use, rather than at market value.

All four programs are available to property owners through an application process with the local municipality. Applications must be filed on or before April 1<sup>st</sup> of the year the reduced valuation is first requested.

Property must meet certain criteria to qualify for each program and any future change in the use of the land will cause disqualification resulting in a penalty.

### **Farmland**

In the Farmland program, the property owner is required to have at least five contiguous acres in their parcel of land. The land must be used for farming, agriculture or horticulture and can include woodland and wasteland. Additionally, the parcel must contribute at least \$2,000 gross income from farming activities each year.

The Department of Agriculture prepares a valuation guideline for municipalities, which results from studies based on suggested values using a correlation from income stream and market data attributable to agricultural enterprise.

If the property no longer qualifies as farmland, then a penalty will be assessed. The penalty is equal to the taxes that would have been paid in the last five years if the property had not been in farmland, less the taxes that were paid, plus any interest on that balance.

*See Bulletin 20 (Farmland Tax Law), 36 M.R.S. §§ 1101 - 1121 (Farm and Open Space Tax Law), and 7 M.R.S. chapter 2-B (Registration of Farmland) on the Maine Revenue Website.*

### **Open Space**

There is no minimum acreage requirement with this program. However, minimum areas and setbacks must be excluded from classification.

The parcel must be preserved or restricted in use to provide a public benefit. Benefits recognized include public recreation, scenic resources, game management, and wildlife habitat.

The municipal assessor is responsible for determining the value placed on open space land. In the determination of that value, the assessor must consider the sale price that a particular open space parcel would command in the open market if it were to remain in the particular category or categories of open space land for which it qualifies.

If an assessor is unable to determine the value of a parcel of open space land based on the valuation method above, the assessor may use the alternative valuation method. Using this method, the assessor reduces the fair market value of an open space land parcel by the cumulative percentage reduction for which the land is eligible according to certain categories. Those categories are as follows:

- Ordinary Open Space - 20% reduction
- Permanently Protected - 30% reduction
- Forever Wild - 20% reduction
- Public Access - 25% reduction

In other words, if the property met all of the above requirements, the owner would see a cumulative reduction of up to 95% on the classified land.

If property no longer qualifies as open space, a penalty will be assessed using the same methodology as is used for removal from the Tree Growth program (see below).

*See Bulletin 21 (Open Space Tax Law) and 36 M.R.S. §§ 1101 - 1121 (Farm and Open Space Tax Law) on the Maine Revenue Website.*

### **Tree Growth**

This program provides a benefit for owners of at least ten acres of forested land used for commercial harvesting. A forest management and harvest plan must be prepared and a sworn statement to that effect submitted with the application. Applications must include a map of the parcel indicating the forest type breakdown

as well as all other areas to be excluded from the tree growth program.

Each year, the State Tax Assessor determines the valuation per acre for each forest type by county. For a list of current Tree Growth rates, see Rule 202 *on the Maine Revenue Website*.

If forest land no longer meets the criteria of eligibility or the landowner opts to withdraw from the tree growth program, a penalty will be assessed. Depending upon the length of time that the parcel has been enrolled, the penalty is between 20% and 30% of the difference between the 100% Tree Growth value and the fair market value of the land.

See *Bulletin 19 (Maine Tree Growth Tax Law)* and 36 M.R.S. §§ 571 - 584 (*Tree Growth Tax Law*) on the *Maine Revenue Website*.

### **Working Waterfront**

“Working waterfront land” means a parcel or portion of a parcel of land abutting tidal waters or is located in the intertidal zone (located between the high and low water mark) the use of which is more than 50% related to providing access to or in support of the conduct of commercial fishing (including commercial aquaculture) activities.

Working waterfront land used predominantly (more than 90%) as working waterfront is eligible for a 20% reduction from just value. Working waterfront land used primarily (more than 50%) as working waterfront is eligible for a 10% reduction from just value. Working waterfront land that is permanently protected from a change in use through deeded restriction is eligible for an additional 30% reduction.

If property no longer qualifies as working waterfront, a penalty will be assessed using the same methodology as is used for removal from Tree Growth classification.

See *Working Waterfront Q & A* and 36 M.R.S. §§ 1131 -1140-B (*Current Use Valuation of Certain Working Waterfront Land*) on the *Maine Revenue Website*.

### **Personal Property Business Tax Relief**

#### ***BETE***

Certain businesses may qualify for an exemption on personal property tax for equipment first subject to tax on April 1, 2008. This is an annual application.

#### ***BETR***

Certain Businesses may qualify for reimbursement on personal property tax paid during the previous year. Taxpayers begin the application process by filing the form “801” with our office.

More information can be viewed online at <http://www.maine.gov/revenue/propertytax/>.

## **Bristol Fire & Rescue** *Paul Leeman Jr., Fire Chief*

Bristol Fire & Rescue responded to 491 calls during 2018. There were 349 medical calls, 41 motor vehicle accidents, 34 fire calls, 11 fire alarms, 4 water rescues, 47 downed trees (22 involving power lines), 6 mutual aid calls, and 40 special duty events. Members spent 1,004 hours training with a total involvement of 6,078 hours.

It is our goal to finish the ISO challenge this year to improve the town's rating. Aiding in this will be the completion of the dry hydrant at the Monro Bridge on State Rt. 32 in Round Pond. We have obtained all the permits from the DEP enabling us to begin the construction this dry season. This will help with our ISO rating as it will be listed as a certified water source along with 6 others in our town.

The fund-raising program "911 reflective sign" continues with the placement of over 800 signs throughout the Town of Bristol. We hope residents and businesses continue to recognize these signs as a valuable savings of time when seconds matter when emergency services are needed.

We continue to participate in the annual Easter Egg hunt, the Round Pond Fourth of July parade, Olde Bristol Days, the Alvin Sproul / Samoset road race, fire education training with the Bristol Consolidated School children, the Flying Santa by helicopter at the Pemaquid Lighthouse Park, and new this June will be a bicycle safety rodeo. We gave each new student at Bristol Consolidated School a new smoke alarm plus handed out batteries for replacement of those already in place at their homes. This will be done twice a year as we reset our clocks in the Spring and Fall. Smoke alarms are the most effective method in saving lives in the event of home fires.

It is an honor for all members of Bristol Fire & Rescue to serve the residents of the Town of Bristol. I would like to thank the members for their many hours of dedicated service. Our participation would not be possible without the support of our families who are left at home at the sound of a page for our needed services. A huge "Thank you" needs to be given to the many businesses who allow members to respond to calls during working hours. It is with immense pride that we offer support and help 24 hours a day / 7 days a week throughout the year. A huge help to us would be for all to make sure that there is enough room for our emergency vehicles to travel without encountering trees, limbs, or rocks that will impede our response or damage our apparatus.

As I begin my tenth year as Fire Chief and my first year in a fulltime capacity, I want to thank all residents for the privilege of serving in this position, and I will continue to do my very best. I want to thank all who continue to support this fine organization through their generous donations. I want everyone to be proud of their Bristol Fire & Rescue.

*"In case of emergency dial 911"*

Bristol Fire & Rescue Officers

Fire Chief .....	Paul Leeman Jr.
EMS Service Chief .....	Jeraldine Pendleton
Station One: New Harbor

## Bristol Parks & Recreation

*Commissioners: Chairperson Clyde Pendleton, Sandra Lane, Laurie Mahan*

The Bristol Parks and Recreation Department enjoyed a year of growth in 2018. The addition of new programs and events provided opportunity for more community involvement. There were important upgrades on existing park buildings and plans were made to continue this work. This progress helped define the direction that Bristol Parks is moving.

A Youth Sports program was introduced in the spring and was very well received by Bristol participants and their families. Over 60 students between grades K-8 attended the initial March session at Bristol Consolidated School - far more than expected. Grades K-4 participated in a multi-sport program, coached by Holly Nelson, which focused two days of each week on a different sport (soccer, volleyball, basketball, softball/baseball) and spent time working on skills for that sport. Grades 5-8 participated in a baseball/softball skills clinic two days a week, coached by Clyde Pendleton. For the second session, a soccer clinic was introduced in the fall for grades K-5. Participants focused one day a week on learning and practicing soccer skills through fun drills and games. The encouraging feedback from kids, parents and teachers showed a strong interest for this in the community and Bristol Parks is excited to continue to develop this program.

Bristol Parks is very excited about a new annual event that began in 2018, the Pemaquid Beach Triathlon! The event consisted of a 400-yard swim at Pemaquid Beach, then a 17-mile bike route around the peninsula and finally a 3-mile run down Pemaquid Trail and back to the beach. The race might be the most beautiful triathlon in Maine as much of the route hugs the beautiful Pemaquid Peninsula coastline. The 126 registrations far exceeded what was expected and the event was quite a success. Detailed feedback from participants was both very positive and helpful in determining how to improve. The Parks Department and spectators agreed that seeing so many participants pushing themselves so hard, and enjoying it, was truly inspirational. The 2019 triathlon should be even better with more participants expected as a result of the 2018 success.

One of the most exciting things to happen in 2018 was a \$300,000 donation toward the replacement of the Pemaquid Beach Pavilion. The Parks Department worked on planning the project and applying for more funding through grants. A land survey was completed, architects were selected, and an initial schematic design was presented to the community at a special town meeting. More meetings and an online survey helped gather further community input which the architects used to help guide the design. The Bristol Parks Commission sincerely appreciates those people who provided their input and attended meetings. The project was still in the schematic design phase at the end of 2018 but as we move into 2019, the direction and timeline of the pavilion replacement project will be determined by funding. The hope and intention are to have a new beach pavilion by Spring 2020.

There were numerous capital improvements within the Parks in 2018. At Ellingwood Information Center, a well was drilled, and a well pump was installed. A separate room was built in the basement for the hot water heater and insulation was added. Pemaquid Point Lighthouse Park got important improvements. The \$10,000 grant from Morton-Kelly Charitable Trust was used for new roofs on the Keeper's House, Bell Tower, Oil House, shed and Art Gallery. The chimneys were repointed on the Keeper's House and some masonry work improved the basement. A new furnace was needed in the Keeper's House after the old one quit. A group of volunteers from The Basking Ridge Presbyterian Church in New Jersey painted the lighthouse fence and Hancock Lumber gave a significant discount on the paint – all allowing the project cost to be minimal. The Parks Commission decided to have an energy audit and home inspection done on the Keeper's House to help determine the next steps in restoration. The energy audit showed minimal insulation in the building which explained the high heating costs. A grant for \$18,360 was received from the Belvedere Historic Preservation and Energy Efficiency program through the Maine Community Foundation. This funding went toward the purchase of ten new windows for the Keeper's House which should help increase the energy efficiency of the building. In addition, the Parks Commission added insulation to the basement and attic of the building to help mitigate future heating costs. Many more updates are planned as the Parks Commission believes that restoring the historic Pemaquid Point Keeper's House is a high priority.

The Parks Commission would like to thank the residents of Bristol for their loyal support. We are grateful that the hard work of the Commissioners and Parks Department does not go unnoticed. We will continue to operate and maintain the parks with compassion and mindfulness for our residents, visitors, staff and the environment. We are always open to new ideas and welcome feedback that helps us improve.

## **Bristol/So. Bristol Transfer Facility**

*David Poland, Manager*

For the Bristol/South Bristol transfer facility, 2018 was again another busy year and I would say the busiest we've seen. The biggest change for us in 2018 was plastics. As everyone knows by now, there is no market for any grade of plastic except #2. We do the best we can to recycle what we can and unfortunately some things we can't control. It pains me, and it hurts our bottom line, to have to send plastics to the landfill.

As we look ahead, I do not foresee major changes. Our building, trash trailers, loader, bulk containers, forklift, road, parking lot and scales are all essential to keeping the transfer facility running. Our major concern is keeping them well maintained, as I state every year. Buildings and machinery grow old and tired and don't last forever. My goal in 2017 was to plan ahead for each item, start capital reserve accounts for each one and be ready for it when the time comes. Those accounts are in place and there is no need for any major purchases at this time. With the everyday operations we try to make it as simple as we can and as easy as we can by fine-tuning the operation. We're always looking for new ideas to make things easier and more efficient. I would like to say I'm very grateful to our loyal staff, Kurt Geib, Raymond Eastman, and especially Darrin Smith for helping when one employee was ill for a whole month during the busiest time of year, and, of course, for all that they do to help run and maintain the facility.

During the time I have been manager I've done what I can to keep the budget flat. This year 2019 we are asking for a 3% increase. We have contracts expiring which we will need to renegotiate, and as the years keep getting busier, we need more help and we have asked Darrin to stay on. I'm proud of our towns' growing commitment to recycling. We have seen our recycling rate grow every year and even with the plastic problem I'm happy to say it's still growing and staying over 21%. Every little bit helps save tax dollars, and it is important to remember that our tonnage to the landfill is still growing so we must try to both keep our expenses down and keep our recycling rate growing. Please keep up the good work, encourage others and keep that recycling percentage growing.

## Bristol/South Bristol Transfer Facility Budget

*January through December 2018 with proposed budget for 2019*

	2018 Actual	2018 Budget	Proposed 2019 Budget
Carried over	30,482.16	30,482.16	8,449.52
Bristol Assessment	233,680.00	233,680.00	240,690.00
South Bristol Assessment	155,832.00	155,833.00	160,508.00
MSW Income	2,530.40	3,063.60	2,530.40

## **Code Enforcement Office Report** *Joseph Rose*

This office continues to put an emphasis on working with residents and contractors to assist in accomplishing project goals while ensuring that full compliance with Town ordinances and State law is met. Many times this is as simple as a phone call, other times several meetings are required.

Statistically, building permit numbers were down in 2018, at 73 building permits compared to 93 in 2017. Plumbing permits stayed relatively flat at 78 plumbing permits compared to 75. These numbers are below the average for the past five years. Many remodeling projects are undertaken without the requirement of a permit. Plumbing permits are required by State law for almost all plumbing work. Permit fees remain unchanged again this year.

I would like to take this opportunity to remind all property owners, occupants and contractors who are planning to construct, reconstruct, alter, relocate, replace or expand any structure to first consult the Code Enforcement Office to ensure compliance and avoid costly delays. Special attention should be paid to properties in the Shoreland Zone as delineated by the official Shoreland Zoning map for the Town of Bristol.

All Town ordinances, Shoreland map, and permit application can be found online at [www.bristolmaine.org](http://www.bristolmaine.org) or at the Town office.

## Central Lincoln County Ambulance Service

*Nicholas Bryant, Service Chief*

I would like to take the time to introduce myself as the new Service Chief of Central Lincoln County Ambulance Service (CLCAS). My name is Nicholas Bryant and I have been employed full-time at CLCAS since 2010. I have been involved in emergency services since I joined the Bristol Fire Department at 16 years old. I later went on to earn my Associate Degree in Applied Fire Science from Southern Maine Community College, as well as my Paramedic Training at Kennebec Valley Community College. I look forward to continuing to serve Bristol and our other communities in the years to come.

In 2018 our service responded to 1,640 emergency calls, an increase of over 100 emergency calls from 2017. While we have seen an increase in emergency calls, we have continued to see a decline in transfers, specifically basic life support transfers. The continued reduction in transfer volume has had a large impact on our revenue for the year. This is an issue for our organization because, in the past, our operational budget has come entirely from the calls we bill for, while the town contributions have been used for equipment and training needs. Going forward the town contribution amounts have increased to compensate from our decreased revenue, while remaining very low cost when compared to other EMS agencies of comparable size.

We have continued our annual appeal letter to seek help from our community members in covering the increasing costs of equipment and training. I am pleased to announce that we have received great support again this year, raising \$29,000 to date. The money we receive in donations is going toward our effort to purchase our next ambulance to replace one of our two aging 2010 ambulances. The approximate cost of replacing an ambulance is now \$170,000 and all donations are an essential part of acquiring these funds.

We have continued to provide Community Paramedicine visits to members of our community for our fifth straight year. This program has demonstrated a positive impact on the patient's ability to manage medical conditions at home. We have completed four training modules and will continue to train on additional topics in the future to continue to provide the best home care to our patients.

I would like to thank Fire Chief Paul Leeman, EMS Chief Jeraldine Pendleton and the Bristol Fire and First Responders for being an essential partner in our effort to supply the quality Emergency Medical Service to the Town of Bristol.

## United State Senate

### U.S. Senator *Susan M. Collins*

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our state have placed in me and welcome this opportunity to share some key accomplishments from this past year.

As Chairman of the Senate Aging Committee, I worked to help ensure the well-being of our seniors. The *SeniorSafe Act* I authored became law last year and is empowering banks, credit unions, and other financial institutions to better protect seniors from financial fraud.

Following extensive committee investigations of prescription drug pricing, additional legislation I crafted became law, ending the egregious practice of pharmacy “gag clauses” that prevented pharmacists from informing patients on how to pay the lowest possible price.

This year, I was also successful in securing an extra \$425 million for Alzheimer’s research—the largest funding increase ever—bringing the total to \$2.34 billion. Additionally, the bipartisan *BOLD Act* I authored will create public health infrastructure to combat Alzheimer’s by promoting education, early diagnosis, and improved care management.

More than 40 million Americans—including 178,000 Mainers—are caregivers for parents, spouses, children, and other loved ones with disabilities or illnesses, such as Alzheimer’s. The *RAISE Family Caregivers Act* I authored was signed into law last year, giving caregivers more resources and training to better balance the full-time job of caregiving. Another law I wrote will help grandparents who are raising grandchildren, largely due to the opioid addiction crisis.

In addition to helping seniors, a major accomplishment over the past year is the increased federal investment in biomedical research that is leading to progress in the fight against numerous devastating diseases. Congress has boosted funding for the National Institutes of Health by \$7 billion in just the last three years, bringing total funding to more than \$39 billion.

One of my highest priorities as Chairman of the Transportation Appropriations Subcommittee is to improve our nation’s crumbling infrastructure and ensure that Maine’s needs are addressed. Since the Better Utilizing Investments to Leverage Development (BUILD) Transportation Grants program, formerly known as TIGER, was established in 2009, I have secured \$160 million for vital transportation projects throughout Maine.

Congress also delivered a Farm Bill last year, which includes many important provisions that will help the agriculture industry in Maine and across the country. Specifically, I secured provisions that will strengthen support for young farmers, improve local farm-to-market efforts, and increase funding for organic research.

Congress took decisive action to address the opioid addiction epidemic. In addition to appropriating \$8.5 billion in federal funding last year, Congress enacted the *SUPPORT for Patients and Communities Act*, a comprehensive package that

embraces the multipronged approach I have long advocated for this epidemic: prevention, treatment, recovery, and enforcement to stop drug trafficking.

Maine plays a key role in ensuring a strong national defense. In 2018, Congress provided funding for five ships to be built at Bath Iron Works, which will help to keep our nation safe and provide our skilled shipbuilders a steady job. I also secured more than \$162 million for infrastructure projects at Portsmouth Naval Shipyard to support their important work to overhaul Navy submarines.

A Maine value that always guides me is our unsurpassed work ethic. In December 2018, I cast my 6,834<sup>th</sup> consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Maine in the United States Senate. If ever I can be of assistance to you, please contact one of my state offices or visit my website at [www.collins.senate.gov](http://www.collins.senate.gov). May 2019 be a good year for you, your family, your community, and our state.

## **U.S. Senator** *Angus S. King Jr.*

As I travel Maine, I hear from people who live in every corner of our state. I hear about their achievements, their successes, their work to improve their communities – I hear about the hope they have for our state. I also hear about our challenges, and all the work we have left to do. As I see it, that's my job: to listen to you, act where I can to build on what's good, and work on the tough parts. As 2018 comes to a close, I wanted to take a moment to share an update on some of the work we're doing in Washington to lift up the accomplishments of Maine people and make progress on the challenges they face.

From Portland to Presque Isle, from Milo to Camden, I hear about the pain that the opioid epidemic is inflicting on Maine communities. I've met with Maine people in recovery, family members of those struggling with substance use disorders, treatment providers, and law enforcement officials to learn about their experiences with this terrible disease, and everyone agrees that in order to fully respond to these problems, we need a stronger federal effort to end the opioid epidemic. Fortunately, some help is on the way – in October, we overwhelmingly passed a sweeping, bipartisan opioids bill. I've pushed hard for this type of legislation and was proud to have provisions I've advocated for included in the bill. These priorities have been guided by the voices of Maine people, and we'll keep working to confront this tragic problem.

I've also worked to strengthen the future of our forest economy. Maine's forests have powered our state's economy for generations, especially in our rural communities. So, when rapid shifts in the market led to the closure of many pulp and paper mills and biomass power plants, it required a collaborative approach to support future growth in this important industry. That's why, together with the other members of the state's Congressional delegation, I pushed to establish the Economic Development Assessment Team (EDAT). This integrated, multiagency

effort aims to foster innovation and commercialization in Maine's forest economy, and we're already seeing the benefits: in recent months, several forest industry businesses have announced significant investments into Maine operations, and in September 2018, the Forest Opportunity Roadmap (FOR)/Maine released an action plan to make sure this industry, and the rural communities it supports, can continue to thrive for generations to come.

As I close this letter, please allow me to express my gratitude to each of you – for your dedication to our state, and to one another. It's often said that Maine is like a big small town (with very long streets)—that's because at our heart, we're one big community. It's not only a pleasure to serve you— it's a pleasure to know you. Thank you for being the reason Maine is so special. Mary and I hope that 2019 will be a good year for you, your family, your community, and our great State.

## **Member of Congress** *Chellie Pingree*

I hope this message finds you well. I am honored to represent you and your family and am grateful for the chance to offer both an update from Congress and my thoughts on the year ahead.

In Maine, we care less about political parties than about getting the job done. That's why I'm happy to report several recent victories I had reaching across the aisle to address issues important to our state.

Signed into law after months of deadlock, the 2018 Farm Bill contained several provisions I introduced. We were able to boost local food investment and organic research programs that are important to the Maine farmers driving a resurgence in our agricultural economy. The bill also created a pilot program to help doctors write prescriptions and offer vouchers to patients who need to change their diet but can't afford fresh food. Finally, the legislation included several steps I introduced to reduce food waste, a national problem that is not only costly to the environment and economy, but a missed opportunity to help millions of Americans who don't have enough to eat.

At the end of 2018, the President signed into law legislative language I introduced to assist veterans who had been blindsided by debt with the Department of Veterans Affairs. After hearing from several veterans who did not receive mailings about their debt until it was too late to take action, I introduced a bill to require the VA to improve its notification system. The final legislation requires that veterans have the option of getting electronic notifications and that the VA report on the underlying issues.

And on the House Appropriations Committee, I worked to protect programs that our state relies on, such as small business grants, rural broadband investment, effective responses to the opioid epidemic, shipbuilding at Bath Iron Works, and more.

As a new Congress gets underway, I will keep working with Republicans to make progress on key issues like these. But with Democrats now in the majority, I look forward to having an open debate on problems that have been ignored for too long. This includes the gun violence plaguing our nation, the dangers climate change presents to our country, crushing student loan debt, the influence of big money in politics, and the need for all Americans to access affordable health care and prescriptions.

In Washington and Maine, my offices stand ready to answer your questions, listen to feedback, and assist with federal issues and agencies. My hard-working staff helps many hundreds of constituents every year and I welcome the chance to serve you.

## Governor of Maine *Paul R. LePage*

For the past eight years as your Governor, my priority has been to make Maine prosperous. I am proud to say that my administration has had some success, but there is more that can be done.

Mainers experienced strong, record-setting economic growth in 2018, setting so many new records: a record-high number of employers; a record-high number of private-sector jobs; record-high revenues for the state; record-low unemployment; and the fastest net-earnings growth in New England. Our poverty rate declined to the lowest since 2005 with the fewest number of children in poverty in 17 years. Maine's future is the brightest it has been in decades: there are more new businesses, more money in your paycheck, and better opportunities for our children. And that's what it's all about: the future of our state.

We have brought stability to state finances and implemented pro-business, pro-growth policies across state government. The incoming administration is taking on a state government that is vastly improved—both structurally and financially—from the one I inherited. Therefore, I have suggested to the new administration that now is the time to cut taxes by an additional 20 percent.

My administration lowered taxes by 20 percent for more than half-a-million Mainers. Cutting taxes for our families has proven to be an excellent policy decision. Despite this cut, we are seeing higher revenue in almost every tax category—sales and use tax, individual income tax, and corporate income tax. We must always remember that the revenue we receive in taxes is due to the hard work of Maine's people. Democrats stated they want to use surplus money to fully fund revenue sharing at 5 percent, rather than the 2 percent the towns have received for the past 6 years. **However, there is no guarantee your local government will cut your property taxes by one penny—never mind dollar-for-dollar—if revenue sharing is increased.**

The people of Maine and the municipal balance sheets would be better off if

the state cut income taxes and allowed municipalities to collect property taxes or service fees from non-profits to supplement the local property taxes. Everyone should contribute to the operation of local community governments.

I encourage you to pay attention to what happens in your municipality and in Augusta. So many good people have worked much too hard to achieve our current prosperity. We must avoid letting politicians drive Maine's finances and its economy back into the ground. I promise you that I will be watching.

## **Maine State Senator** *Dana L. Dow*

First, let me thank you for reelecting me to represent you at the State House in Augusta. It truly is an honor to serve the constituents of District 13 in the Maine Senate. I am eager to get to work so that Maine becomes an even better place to make a decent living and raise a family. I would like to provide you with a few highlights of the 128th Legislature as well as my vision for the upcoming legislative session, which convened in December.

During my time as a member of the Maine Senate, it has been encouraging to see the significant progress that has occurred. The State of Maine closed the fiscal year that ended on June 30, 2018 with a budget surplus of more than \$126 million and a 'rainy day fund' totaling more than \$274 million, allowing our state to have a better borrowing capacity and long-term financial stability. Following years of budget shortfalls and high spending, the significance of these economic achievements cannot be overstated. Maine's unemployment is at an all-time low, and the state's jobless rate has been below four percent for a record 31 consecutive months.

Perhaps the most significant action the 128th Legislature took was passing tax conformity. In doing so, we ensured that Maine citizens would not see their tax burden increase as a result of the federal changes to the tax code. Additionally, the tax conformity legislation included a \$300 child credit and increased the property tax fairness credit. Serving as Chair of the Taxation Committee at the time, I was incredibly proud that both sides of the aisle could come together to benefit the Maine people.

As we head into the 129th Legislature, I have been elected by my colleagues to serve as the Senate Republican Leader. I look forward to listening to all viewpoints and examining critical legislation with a keen eye as we have a responsibility to ensure the best interests of all Maine citizens. I have also been appointed to serve on the Marine Resources Committee, which has jurisdiction over the State's commercial marine fisheries management, including the processing and sale of marine fish, shellfish and aquaculture. Maine is known around the world for the quality of seafood that comes from our coastline. I look forward to working with my colleagues to promote our marine industry while also taking the necessary steps to protect our natural resources for generations to come.

Thank you again for trusting me to be your voice in Augusta. If you have comments, questions or if you would like assistance with a state-related matter, please feel free to contact me at 287-1505 or [dana.dow@legislature.maine.gov](mailto:dana.dow@legislature.maine.gov).

## **Maine State Representative *Michael G. Devin***

It is an honor to continue my service as your State Representative. For the last six years, I have been working hard on your behalf to provide responsive constituent services, be your advocate in Augusta and advance legislation that improves life in our district and in our state.

Over the coming months, we expect to take up over 2,000 separate pieces of legislation covering a wide variety of topics. Top priorities include expanding health care coverage, bringing relief from the opioid crisis, embracing renewable energy and a more resilient power grid, reducing student debt, repairing our roads and bridges, increasing protections for workers and consumers, getting prescription drug costs under control, protecting the independence of seniors and making sure we are caring for our neighbors with disabilities.

We will also be balancing the state budget for the next two years and will work to do so in a way that restores revenue sharing funds for all Maine towns and respects the mandate of the voters to properly fund public education.

This year I am serving once again on the Marine Resources Committee and have also joined the Environment and Natural Resources Committee. Through these two panels, I will work to improve the quality of our oceans, take steps to prepare for and mitigate the effects of climate change, curb our unhealthy reliance on plastic bags and containers and protect our marine and natural resources-based economies.

Whether we are dealing with the above issues or any other topic, I will continue to work with all of my colleagues, regardless of party affiliation, to make sure we're doing the best work we can for the people of our district and all the people of Maine.

Please contact me if I can be of any help or if you want to discuss or testify on any legislation. My email is [mick@mickdevin.org](mailto:mick@mickdevin.org) and my phone number is 975-3132. I also send out e-newsletters from time to time. Let me know if you would like to receive them.

## **Bristol Area Library** *Jacqueline Bennett, Librarian*

A long-term goal was met in 2018 with the opening of our new used bookstore, The Bristol Book Ends. Having a year-round book sale venue has proven to be financially beneficial. The library is exploring and considering fresh ideas for 2019, while continuing our traditional fundraising events.

Have you ever heard about a great new book or movie and then wondered if the library owns a copy? Search our collection of 28,691 items at [bal.tidewater.net](http://bal.tidewater.net). 9,165 adults and 671 children visited the library in 2018 and signed out 9,265 books. Movies were borrowed 1,348 times. It's not just printed books the library offers, patrons also have access to audio books and ebooks through the Maine State Library's downloadable program. Passes to the Farnsworth Museum were donated by The Plein Air Group and were used 68 times.

78 people joined the library this past year, giving us a total of 1,536 adult and children members. We would love to have you join, as well, but if you choose not to, there are still some wonderful ways for you to enjoy the library. We offer free access to computers and wireless technology. We have a free magazine table, a local genealogy room, and access to Ancestry.com library edition. Programs this past year included a "Let's Talk About It" book discussion group, art displays by local artists, knitting for all ages, author and historian visits, story times, and our "Read to the Rhythm" summer reading program for children. The library is also a drop-off for the local food pantry and a meeting space for local organizations.

This year's Board of Trustees: Carol Jaeger, President; Judith Hope, Vice President; Sue Trouwborst, Recording Secretary; Bonnie Sablinsky, Treasurer; and Anne Merrill, Corresponding Secretary. Other trustees are Becky Cooper, Judith Cotton, Nancy Douglas, John Marsili, Andrea Powell, Kathleen Riess, Mary Jane Smith, Mary Stevens, Laura Sproul Stubbs, and Bruce Swift.

Finally, a thank you to our loyal patrons, to our hard-working volunteers with 2,700 hours of service, to those who gave so generously to our annual appeal and to the Friends of the Bristol Area Library for supporting children's programs and funding our annual appeal and newsletter. Many thanks to Mary Jane and Buck Smith for the donation of the used bookstore building and to the town of Bristol for their support of \$14,500 in appropriations which is a very crucial part of our operating budget.

## **Community Housing Improvement Project, Inc. (CHIP, Inc.)** *Brittany Gill*

"Neighbors helping neighbors keep their homes safe, warm, and dry."

CHIP, Inc. was founded by Ruth Ives in 1984 as an ecumenical effort to help homeowners struggling to keep their homes safe, warm and dry.

CHIP, Inc. began in the Town of Bristol and now serves eleven towns in Central and Eastern Lincoln County. During our 2017-2018 fiscal year, CHIP, Inc. completed nine home repairs in Bristol, including creating a safe exit, heating

system repair, floor repairs, supporting an electric pole, two roof repairs, electrical repairs, correcting a septic issue, and providing running water to a household.

Volunteers, contractors and homeowners all help CHIP, Inc. complete home repairs. On our annual Community Cares Day in September, over 100 volunteers, including more than a dozen Bristol residents, give their time and skills. A group of retirees volunteer with CHIP, Inc. year round. And a student youth group visits Bristol every summer to volunteer on home repair projects and other community service, such as painting the lighthouse and visiting nursing homes. At times, homeowners and their families contribute, too. When necessary, CHIP, Inc. hires contractors and collaborates with other organizations to complete repair projects.

From November to March CHIP, Inc. offers a one time, one hundred gallon fuel assistance donation to people in need. During the 2017-2018 season, CHIP, Inc. donated fuel to 32 Bristol households, including 2.5 cords of firewood. A team of volunteers split, store, and deliver the firewood.

CHIP, Inc. partners with The Carpenter’s Boat Shop to maintain The CHIP Shed, a free furniture and appliance exchange. Donations are stored in The Shed, located at The Carpenter’s Boat Shop.

CHIP, Inc. relies on the generosity of this community to support these services. Thank you for your contributions.

2017-2018 CHIP, Inc; expenditures:

Fuel Assistance		
271 Households Total (\$73,082)	32 Bristol Households (\$8,138)	
Home Repairs		
71 Households Total (\$105,117)	9 Bristol Households (\$13,618)	

**The Friends of Colonial Pemaquid** *Don Loprieno, President*

2018 marked the Friends of Colonial Pemaquid’s 25<sup>th</sup> anniversary as a local, all volunteer, 501(c)(3) organization with a proven record of stewardship and preservation. For a quarter-century, we have raised funds to assist with archeological digs, sponsored a diverse calendar of special events and lectures, and obtained grants and other funding for on-site projects, including nearly a quarter-million dollars in the late 1990s for the renovation of the Fort House, an 18<sup>th</sup> century structure, all at no cost to the taxpayer. We’ll continue to do the same and more in 2019.

*Outlined by the snow of an early winter storm, the Fort House stands silent watch over the grounds of Colonial Pemaquid. Constructed in the latter part of the 18th century and modified over time, it is the only original historic building on the site. If it could speak, it would tell of perseverance and hardship, of trade between native peoples and Europeans, of forts and battles, and eventually a clash of very different cultures - all part of life along the northern frontier in the 17th and 18th centuries. (Photo by Don Loprieno)*

## **The Fishermen's Museum** *John Allan, Treasurer*

The Museum opened in 2018 for its 46th season at the Pemaquid Point Lighthouse Park and recorded attendance at 32,105, an increase of 2,381 visitors over 2017.

The natural beauty of our Lighthouse Park draws local, regional and international travelers to Bristol. Looking over our visitors log during September and October we recorded all 50 states as being represented along with Austria, Australia, Belgium, Denmark, Dominican Republic, England, Scotland and Wales, Finland, France, Germany, Ireland, Northern Ireland, Israel, Italy, New Zealand, Netherlands, Switzerland, Spain, Slovakia and Thailand! Oh, and we can't forget all the visitors from neighboring Canada. We are truly a world known destination.

We hope our website [www.thefishermensmuseum.org](http://www.thefishermensmuseum.org) has helped convince some travelers with the photo tours through our galleries and the complete history of the Lighthouse. Many archival documents and photographs are posted, including the wreck of the Angel Gabriel, a listing of all of Maine's Lighthouses, How to Catch a Lobster and much more.

Our attractive digital interactive map of the Lighthouses of Maine built by Bristol resident Dave Svens continues to delight and inform. The lighthouse locations are discovered via lights and a touch panel and everyone finds this display surprising and educational. It also illustrates to visitors the intricate blend of bays and islands along our 3,478 miles of coastline (5,000 miles including islands).

The donations the Museum receives support artifact restoration, exhibit maintenance and our small operating budget, with the balance donated to Bristol. Our 2018 contribution of \$1,856.09 raises the total donated to \$264,232.00 since 1972.

Admission is free and the Museum is open during normal Lighthouse Park hours. Our collection of local fishing heritage includes original tools, traps, nets and artifacts, displays, dioramas, ship's logs and first person accounts of shipwrecks, along with rare and unusual items that presents the history of the Bristol community to visitors from home and away.

Our annual scholarship has been awarded since the 1980s and is open to Bristol students pursuing careers in marine related activities such as boat building, fishing, marine ecology and biological studies, engineering, history or other maritime fields. Information about our scholarship and applications can be obtained at the Lincoln Academy guidance office or downloaded from our website.

Once again the Board of Directors wishes to express their appreciation to the Bristol Park Commission and Park Staff for their support and assistance during 2018.

## **Healthy Kids** *Leslie Livingston, M.S., Executive Director*

Thank you so much, for your support of Healthy Kids. Healthy Kids is the Child Abuse Prevention Council of Lincoln County. Our mission is to encourage, support and promote the healthy development of our children so that they may grow into healthy, contributing members of our community.

We want you to know that Healthy Kids has provided services to an estimated 120+ Bristol residents (we can count residents attending specific programs and professionals attending trainings but we have to estimate use of our in-house and online resource center, as well as attendance at community events and usage of our help at Christmas). Those utilizing our services include parents, teachers, students, children, day care providers, physicians, law enforcement, school board members, town council members and general assistance staff, service club members, inmates, and other community representatives including Bristol residents who may work with children elsewhere in the county and still receive professional training. Those services include:

- Home visiting personalized parenting support
- Supervised Visitation ordered by DHHS and/or the courts
- Educational classes in all four Lincoln County high school health classes teaching students about Shaken Baby Syndrome, the impact of drugs and alcohol on babies and basic infant care
- Parenting groups, workshops and classes
- Alcohol and Kids don't mix programs for parents
- School and Day Care based child abuse prevention programs and monthly parenting tips
- Family Resource Center programs, including playgroups throughout the county, pregnant and parenting teen support, lending library, toy exchange, Christmas toy drive and free informational resources
- Parenting programs at Two Bridges Regional Jail
- Mandated Reporting, Safe Sleep, Period of Purple Crying and Strengthening Families programs for professionals who work with children
- Use of our resource center and education that includes calls and visits to our center, educational information on our website, our TV series online on LCTV 7, our community events such as free dinners, free toys at Christmas through our toy drive etc.

We will continue to provide all of these services to the professionals and families in Bristol and again, thank you for your support!

## **Lincoln County Television** *Stephen Popp, Station Manager*

Established in 1991, Lincoln County Television & Media Center (LCTV) is a non-profit organization that provides training in video production, access to production equipment, and manages and distributes videos made or requested by residents and organizations in Lincoln County. LCTV programming is seen on Spectrum Cable (channel 1301) and Tidewater Telecom's IPTV (channel 7). LCTV programming is also streamed live on our website [www.lctv.org](http://www.lctv.org). Additionally, locally produced shows are archived and made available on-demand on our website. LCTV also provides an on-air Bulletin Board for local non-profits to publicize their events and services. The objective of LCTV is to showcase the people, places and events of Lincoln County.

In October 2018 Stephen Popp was hired as Station Manager after Abby Ingraham carried the load for an interim year following the death of longtime Executive Director Mary Ellen Crowley. The station is now in much better shape financially, creatively, and in terms of volunteers. Long-time volunteer Dave Svens has been joined by several newer volunteers including Bruce Hilsmeier, John Underwood, Russ Lane, Abby Ingraham, intern Johanna Neeson, and several others. All have contributed to Bristol programming which includes Bristol municipal meetings, Bristol Consolidated School's Diversity Week performances, Olde Bristol Days, the Liberty Pole restoration, lectures of the Old Bristol Historical Society, and many others.

Unfortunately, 2018 also marked a move by Spectrum to move LCTV programming from its long standing spot on Channel 7 to Channel 1301. This is part of a nationwide move by cable companies to relegate Public Access Stations to second (or third) tier status. There are currently bills in the Maine Legislature challenging this move. Even more importantly, cable companies are attempting to eliminate the "franchise fees" that they are required to pay towns for the use of public rights-of-way to string cables on utility poles. Bristol receives \$24,000 per year in franchise fees with over \$9,700 appropriated by the town to LCTV for the important broadcast services it provides. We believe that free public access TV, including coverage of local municipal meetings, is critical in government transparency and democracy and its suppression would have a profoundly harmful effect on our country.

LCTV would like to take this opportunity to thank the Town of Bristol for their continuing financial and volunteer support. We are "Your Station, Your Voice." Please consider becoming an LCTV donor, volunteer, producer or business sponsor in 2019!

## The Old Bristol Historical Society

Formed in 2003, the Old Bristol Historical Society is a charitable and educational nonprofit corporation whose purpose is to collect, preserve, and share for the benefit of the public the artifacts and the oral, documentary, personal, and physical histories of our community. By involving local people and institutions it aims to foster a sense of community and pride in our collective past and future.

In 2018 OBHS counted 131 paid memberships including 14 new memberships and 57 lifetime memberships, our highest count to date. Thanks to the growing support of the community, we've been able to grow our collections, expand our programming, and continue our educational outreach to the community and beyond.

This year community members loaned OBHS over 900 images from their personal collections that were scanned and added to our Digital Images Archive. The society also received a large number of donations from community members that included photographic images (including the entire Jack Lane Photography collection), 135 postcards, scrapbooks, school books, Bristol High School memorabilia, Bristol souvenirs, Footlighter programs and audio reels.

The OBHS sponsored nine public presentations this year which focused on specifically local topics. We continued our work with Bristol 5<sup>th</sup> graders, visiting the classroom several times and accompanying students on fieldtrips to Colonial Pemaquid and on our annual town wide history tour. OBHS representatives also greeted visitors at our booth during Olde Bristol Days and shared Bristol's history with all who were interested.

This year OBHS launched a new official website ([oldbristolhistoricalsociety.org](http://oldbristolhistoricalsociety.org)) which will greatly improve our ability to display and link to items in our collections. We also continued to connect with people through our Facebook page which now has over 1200 followers viewing our posts and engaging in conversations about Bristol history.

Finally, OBHS was pleased to participate as a sponsor in the fundraising campaign to save the Pemaquid Mill, which was successfully purchased by the Damariscotta River Association. We look forward to the challenge of helping to preserve this historically important landmark.

The current Board of Directors is comprised of Belinda Osier and Chuck Rand, Co-Presidents; Don Means, Vice-President & Treasurer; Jay Crooker, Secretary; Robert Ives, Mollie Perley, Pamela Rice, Larry Hayter, Margaret Hayter, Joyce Prior Thompson, Russ Lane, Rachel Fossett

## **The Pemaquid Group of Artists** *Will Kefauver, President*

The Pemaquid Group of Artists celebrated 90 years of continuous exhibition during the 2018 season — the last 58 years on the grounds of the beautifully maintained Lighthouse Park. One of the oldest artist organizations in Maine, PGA currently juries new members from artists residing in area townships within Lincoln County. Gallery admission is free for park visitors.

We exhibit a diverse collection of artworks – including oil, pastel, watercolor, and acrylic paintings, as well as mixed media, sculpture, ceramics, woodturning and marquetry. Exhibiting Artists continually update their work as others sell. This year we featured the art of 31 permanent members and one seasonal guest artist. We began our season on June 4th with an Opening Reception and from the 5th until October 8th we welcomed visitors and gallery patrons on a daily basis. We hosted a reception for Gallery Patrons in August and presented plein air demonstrations for park visitors on Mondays throughout the season and during our Meet the Artist event in July and during Open Lighthouse Day in September.

We continued our support of local arts education through financial donations to three area elementary schools, the preschool program, Healthy Kids, and Lincoln Academy. We also funded a pass to the Portland Museum of Art, available free to Bristol and other Maine residents by reservation through Skidompha Library in Damariscotta.

We are grateful to our Patron members, whose loyal enthusiasm mirrors that of our artist members, Board of Directors, gallery manager, and knowledgeable gallery attendants. Our upgraded facility and the lovely upgrades and landscaping done in the park as a whole continues to provide a welcoming environment for our clientele.

Our website, [www.pemaquidartgallery.com](http://www.pemaquidartgallery.com), provides information about our artists, events and charitable activities.

Our very active Board is comprised of myself, Will Kefauver, President; Paul Sherman, Vice President; Judy Nixon, Treasurer; Kathleen Horst, Secretary; Bill Hallett, Claire Hancock, Anne Jackson, Tony Kilburn, and Cindy Spencer. We hope you will have the opportunity to visit us at the gallery in June of 2019 when we open our doors to begin our 91st year with an all new exhibit of the creative work of our new and existing members.

## **Pemaquid Watershed Association**

Pemaquid Watershed Association (PWA) is a non-profit organization, and since 1966 has followed its mission to conserve the natural resources of the Pemaquid peninsula region through land and water stewardship and education. The 47 square miles of the Pemaquid River watershed has about 20 square miles in the town of Bristol. PWA is dedicated to the continued programming and services it provides to all the citizens of Bristol, concentrating on land conservation, accessible trails, water quality and education.

In 2018, some major PWA programs included:

- Weekly summer water quality monitoring at Pemaquid Beach and Bristol Mills swimming hole.
- Stewardship and maintenance of the Bristol Recreational Trail.
- Public access to hiking trails, open space wildlife habitat, and/or shorefront protection in Bristol at these Preserves: Bass Rock, Bearce Allen, Cosima's, Crooked Farm, Hatchtown, La Verna, Little Falls Brook, and Moxie Cove. Keyes Woods Preserve will open in 2019.
- Staffing and educational programming at Beachcombers' Rest Nature Center (BRNC) at Pemaquid Beach Park which draws many visitors. Partnering with the UME Darling Marine Center, BRNC provides "Touch Tank Tuesdays" to educate families about marine life and offers weekly workshops all summer.
- Partnering with the Town of Bristol's Shellfish Commission to work toward removing conditional closures on the estuary through the Watershed Assessment Project. June 2018 storm testing jointly done with PWA and Shellfish volunteers.
- Offering Bristol property owners an informational packet focusing on pond stewardship, best land-use practices to minimize erosion and pollution, boating and fishing regulations plus boating safety, lead tackle exchange and loon habitat information.
- The LakeSmart Program: free technical advice and information to waterfront residents about property-care best management practices to prevent erosion and to safeguard water quality.
- The Courtesy Boat Inspection (CBI) program to educate boaters about minimizing the risk of spreading invasive aquatic plants through the river and pond system.
- Free guided paddle trips in the region with the PWA Paddlers from May through September.
- "PWA Ponders" gatherings: annual public get-togethers of pond side land owners to share concerns and updates about conservation efforts related to the ponds. Keeping the pond water quality healthy and clean benefits recreation and protects waterfront property values.
- Litter and pollution prevention and clean-ups including the Elmer Tarr Clean-Up Day.

PWA will soon unify with Damariscotta River Association (DRA) to become a stronger conservation organization with a new name. This combined land trust will continue to honor the natural ecosystems of our community and pursue the protection of land and water resources. It will serve Bristol citizens, both residents and visitors, with many nature preserves to enjoy and varied programs to inform. We will remain committed to keeping the land and water of our region healthy for future generations.

## Spectrum Generations

Spectrum Generations' history spans over four decades of helping older and disabled adults age in place by providing the highest quality of life possible through at-home and community-based services. Spectrum Generations' mission is to promote the life-long learning, health, wellness, nutrition, community engagement, and the social well-being of all older and disabled adults. Spectrum Generations offers programs and services catering to the individual needs of older and/or disabled adults throughout six counties (Lincoln, Kennebec, Knox, Sagadahoc, Somerset, Waldo), and the towns of Brunswick and Harpswell.

We provide services to older and disabled individuals, often those who are homebound and may not have any additional natural supports. Our counselors are available to meet with people in the community, in our centers, or in an individual's home; we find this accessibility to care services greatly increases the individual's ability to remain aging in place. Most of our services are also offered for free through support; there are very few self-pay services.

**In the past year, Spectrum Generations has helped the Town of Bristol in the following ways:**

- **Through our Meals on Wheels program, we have served 971 meals to 6 homebound older adults**
- **We provided services to 116 unduplicated Bristol residents**
- **Aging and Disability Resource Specialists provided 145 hours of outreach counseling on topics including elder abuse, prescription drug coverage, and long-term care**
- **Additionally, 7 caregivers were able to receive respite services, aiding in the balancing act of working and taking care of an older or disabled loved one**

Spectrum Generations continues to pursue long-range objectives including enhancing collaborations with other healthcare providers, such as hospitals and health systems, to address social determinants of health. Our efforts focus on improving our consumers' health, expanding outreach efforts for people living in rural/isolated areas, and bolstering collaborative efforts that support older individuals living in their own homes (we will use new technologies, social networking, life management skills, and expansive volunteering to accomplish these plans).

We thank our valued staff, dedicated volunteers, and community partners for our many successes! We could not do all that we do without their support.

## **Bristol K-12 Education**

***Craig Jurgensen, Superintendent of Schools, AOS 93***

***David Kolodin, Chair – Bristol Consolidated School Board***

Looking back at 2018 (particularly as your new school superintendent), I am reminded that our schools must always be looking forward as we prepare our students to be “21<sup>st</sup> century learners” with the promise of understanding and addressing their aspirations, as well as making them “future ready” lifelong learners. We know that critical thinking, cooperation, communication, and creativity are essential for our students to succeed. To ensure our instructional practice includes these foundational skills, teachers at all levels and throughout all of our schools continually review and revise their curriculum and teaching practices. To oversee and coordinate this important work, the AOS hired Ann Hassett as Director of Curriculum, Instruction, and Assessment. Ms. Hassett was most recently the Nobleboro Principal. She brings a wealth of experience in educational leadership, curriculum, and instruction to this important position. Ms. Hassett also coordinates and oversees several state and federal grant programs and is instrumental in our transition to a robust standards-based reporting system. Additionally, Ann has reached out to, and been well received by, the staff and administration at Lincoln Academy. Fostering this relationship is critical to ensure curriculum articulation and an appreciation of the work done by Bristol Consolidated School staff to prepare all students for success in high school.

There were 82 Bristol students attending secondary school programs. These included Lincoln Academy, Boothbay Region H.S. and Maine Connections Academy.

School budgets provide the backdrop for telling the story of every school. How a school appropriates and uses its available funding translates to and defines what is important to the administration, teachers, support staff and the community because it represents what these groups want and need to provide for their students. Budget preparation is a complicated process. From one budget year to another, school administrators work with local officials and community members to ensure that each school budget is adequate, equitable, and predictable and that it is developed with input from all stakeholders in a clear and transparent process. School Board members Darin Carlucci, David Kolodin (Chair), Cerina Leeman, Sarah Mathieson, and Bonnie Sablinsky have been instrumental in this work. Ms. Sablinsky’s additional role on the AOS 93 Board supports the interests of all students and community members.

Our work together in the schools and communities is complex, sometimes challenging, and yet unquestionably essential and rewarding. Together we make a positive difference in the lives of our students, their families, and the communities in which we live and work. We are increasingly coming together as a learning community to engage in expanding our shared commitment for improving the education we provide to our children. I encourage you to visit the AOS 93 website

([www.aos93.org](http://www.aos93.org)) for current news and information about our students and school activities, as well as school policies, School Committee meeting agendas and minutes. This website will also provide you with links to individual school websites and to useful information from numerous resources. Whenever you have a question or wish to become involved in your community school, please call me or a member of the Bristol School Board.

## **Bristol Consolidated School** *Jennifer Ribeiro, Principal*

Bristol Consolidated School continues to grow and develop with our students. We hired five new teachers for this school year and three new Educational Technicians. New faces lead to fresh ideas and a school culture that is dynamic. We have a strong academic program for Preschool through 8<sup>th</sup> grade and are able to provide both enrichment and remedial programming for students. Students can participate in choral groups, band ensembles, art buddies, yearbook club, a civil rights team, a book club, and an after-school learning lab to name a few! In addition to the co-curricular choices we offer at least seven athletic teams for students to participate in. Our students benefit from many community partnerships which enhance the offerings at school. We are fortunate to have the YMCA provide their after school program at BCS, FARMS at the Y works with our students throughout the year, the Educator-in-Residence program provided a Kieve educator for eight weeks this winter, and the DRA and Bristol area historical groups work with our students. We have been provided with resources and support from generous groups that have had an educational impact including the Perloffs' donation of a 3D printer and the Silvers' donation of RoboPots. The more I write, the more examples come to mind. These partnerships are special treasures that make the Bristol School experience so rewarding for students and staff.

Our educational focus over the past few years has been on supporting student growth and helping students develop grit and perseverance. We provide instruction that encourages students to make growth on academic standards and track their progress over time. Focusing on progress with standards ensures that all the students are challenged appropriately throughout their school experience. BCS teachers, in conjunction with the entire AOS, are implementing a standards-based reporting system this year and hope to have a tool that meets the needs of students, parents, and teachers by the end of the school year. Our curriculum and instructional materials are evaluated to ensure they are relevant. This is our second year with a new K-4 math program and we are focusing on the 5-8 math curricular update and revisions. Collaborations with Lincoln Academy are important when discussing our programs to ensure the middle school transition to high school is as successful as possible.

In meeting the needs of all students, we have many special programs available to our students. BCS hosts the Compass Program which is a positive behavioral

support program for special education students from Bristol, Nobleboro, Jefferson and South Bristol. This is a regional program that is financially supported by all sending schools. This is our third year and we have had between seven and eleven students participate annually. Students benefit from regular classroom instruction, social skills instruction, and special education programming based on their Individual Education Plans. We also support the Pathways Education Center at Jefferson Village School. That program is funded similarly to Compass and provides services to special education students who have a need for Life Skills programming. BCS has had between one and four students attend this program annually.

The Bristol School is an important resource to the community. The physical plant continues to be monitored to ensure timely upgrades and maintenance. This past year the kitchen got a new walk-in fridge/freezer, the roof had solar panels installed and the parking lot was rebuilt! It was a very busy spring and summer. Looking ahead our facility needs will focus on safety and security.

Lastly, we continually seek ways to connect with parents and the community. We work to keep Bristol School a welcoming place for parents as well as students. The Parent-Teacher Organization and the Bristol Boosters continue to support student programming. School events are sponsored to increase school spirit and community involvement including Bristol YMCA night, Devil Pride Week, Diversity Week and the annual Thanksgiving meal served by our kitchen staff to students and parents. The Bristol Masonic Lodge has sponsored their fourth Bikes for Books program this year which provides 18 new bikes and helmets to students as a result of their reading efforts! Our next endeavor is planning for a new softball field on school grounds. A fundraising committee has formed and had its first successful event this past fall. We hope you enjoy one of our many upcoming events that are organized to support all of these programs for BCS students.

These are the many examples of the wonderful things that go on at Bristol School. Not only are the students learning to be well rounded, responsible school community members, they are performing at high levels on state assessments. Last year Bristol Consolidated School students continued to score above the state average in English Language Arts, Mathematics and Science. We have a lot to celebrate!

We greatly appreciate your continued support of our PreK - grade 12 learners. Thank you!

## Bristol K-12 Education Budget

	FY19 Budget 7/1/18 - 6/30/19	Proposed 7/1/19-6/30/20	% Diff

## **Lincoln Academy** *Nancy Starmer, Interim Head of School*

Greetings from Lincoln Academy, where our second trimester is in full swing. Classes are about halfway through their academic year, and winter sports season is at its peak. My name is Nancy Starmer, and I am currently serving as Lincoln Academy's Interim Head of School. After working for many years first as a public school teacher, then as an independent school teacher and administrator in Massachusetts and Pennsylvania, I came out of retirement to serve as a consultant and now Interim Head at LA. The experience has been fascinating and rewarding. This is a wonderful school, full of dedicated teachers who are not only committed to serving our wide range of students well but who are also active citizens of their local communities. Those connections, and the clear investment the local communities have in the success of our school, are qualities I've come to appreciate most about Lincoln Academy. Students, faculty, staff, alumni, and parents share a deep love for this place, and that shines through every aspect of the school.

Our biggest news of 2018-19 is that after an extensive national search the LA Board of Trustees has hired Jeff Burroughs to be Lincoln Academy's next Head of School. Jeff, who is currently the Assistant Head of School for Academics at St. Johnsbury Academy in Vermont (also a Town Academy) will take the reins on July 1, 2019. Before moving to St. Johnsbury, he and his wife Melissa spent several years at the Hyde School in Bath. Thanks to these roles Jeff has experience in both the Town Academy model and life in midcoast Maine, and all are looking forward to having him here at LA.

In the meantime, we are having a full and active year. In September we welcomed a large freshman class of 151 students from 21 sending towns and 14 countries around the world, bringing our total student population to 560. Our new students came in on a high note: 2018 was an excellent year for LA sports, arts, academics, and extracurriculars. The girls tennis team won their first ever state championship, and the boys lacrosse and boys cross country teams were both state runners up. Many teams were also honored with Good Sportsmanship Awards this year, demonstrating that LA athletes continue to uphold a tradition of excellence both on and off the field.

LA students also excelled in the arts in 2018, and this year continue to do so. The Wind Ensemble won Gold at New York City's WorldStrides Heritage Festival in April, and 67 student musicians this year--a record number--have qualified for District, All-State, and All-State Jazz Honors Festivals. Though the 2019 season is just beginning, LA's theater program has won the Regional One Act Competition 11 out of the last 12 years, including in 2018. In visual arts students have over a dozen courses to choose from in drawing, painting, ceramics, metal sculpture, printmaking, and more, and in June 2018, as in previous years, a significant number of graduating seniors continued on to major or minor in visual or performing arts at universities, art schools, and conservatories.

Each year more than 150 students take at least 1 AP course at LA, many taking

multiple courses and sitting multiple exams. 2018 was no exception. Our teachers mentor students wishing to do independent studies in a wide variety of subjects. This year independent studies include sustainable agriculture; multivariable calculus; bassoon, piano, and a number of other instrumental studies; journalism; woodworking; and physics. About half of LA students participate in at least one sport and many are two- and three-sport athletes. Other extracurricular activities include State-Champion Debate and Math Teams, Model United Nations, Outing Club, Special Olympics, and a wide variety of service and student-interest clubs.

Our residential program has brought students from the US and the world to the LA dorms and added significant geographic diversity to our student population. This has been apparent in every aspect of school life, from class discussions to celebrations of world holidays. Our international students benefit tremendously from their experience at LA as well, enjoying the beauty of the area, making friends with local students and being invited into their homes, volunteering at Pumpkinfest (a true cultural experience!) and sharing Thanksgiving with the staff at Camp Kieve.

Though our student population has changed over the last six years, Lincoln Academy remains deeply rooted in the local community. At LA, we are committed to providing a top-notch education for all students who come through our doors, whether they take vocational or Advanced Placement courses, participate in one of our Alternative Education or special education programs, or a combination of the above. This I hope is evident in the variety of paths our graduates choose after LA. In the Class of 2018 there were 139 graduates, 96 of whom went on to four-year colleges, 13 to two-year educational programs and community colleges, 28 of whom went straight into the workforce, and 2 of whom joined the military.

Along with our academic, athletic, arts, and extracurricular programs, we continue to uphold many long-standing traditions that some of you probably remember from your days as students or parents at LA: every Friday we gather for an all-school Community Meeting in the gym. Students meet daily with the same academic advisor during all four years at LA. We held our annual Homecoming celebration in September, complete with the parade through downtown Damariscotta, and as I write this letter we are planning for our 2019 Winter Carnival in February.

We are deeply appreciative of the support of local sending towns. Your children are the lifeblood of Lincoln Academy. Please know that you are always welcome to attend a sporting event, concert, or Parents' Association meeting, or to stop by for a tour. We invite you to follow Lincoln Academy News on social media if you would like to know more about day to day activities on our busy campus.

Thank you for being part of a long tradition of independent education at Lincoln Academy.

## **Independent Auditors' Report**

**William H. Brewer, Certified Public Accountant**

858 Washington Street, P.O. Box 306, Bath, Maine 04530

We have audited the accompanying financial statements of the governmental activities, the business-type activities, and each major fund of the Town of Bristol, as of and for the years ended December 31, 2018 and 2017, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, and each major fund of the Town of Bristol as of December 31, 2018 and 2017, and the respective changes in financial position, and where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Other Matters

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### *Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Bristol's basic financial statements. The introductory section and the combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the financial statements.

The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

*January 18, 2019*

## Management's Discussion and Analysis

Fiscal Year Ended December 31, 2018

The Municipal Officers of the Town of Bristol, Maine offer the readers of Bristol's financial statements this narrative overview and analysis of its financial activities for the fiscal year ended December 31, 2018. We encourage readers to consider the information presented in conjunction with additional information furnished in the basic financial statements and the accompanying notes to those financial statements.

### The Financial Statements

The financial statements presented herein include all activities of the Town of Bristol, Maine using the integrated approach as prescribed by GASB (Governmental Accounting Standards Board) Statement No. 34. The government-wide financial statements present the financial picture of the Town using the accrual basis of accounting. They present governmental activities (functions that are principally supported by taxes and intergovernmental revenues) and business-type activities (functions that are intended to recover all or a significant portion of their costs through user fees and charges) separately. These statements include all assets of the Town as well as all liabilities, including long-term debt.

The fund financial statements include statements for each of the three categories of activity: governmental, business-type and fiduciary. Notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

### Statement of Net Position and Statement of Activities

The statement of net position and statement of activities report information about the Town and its activities as a whole. Excluding infrastructure, these statements include all assets and liabilities of the Town using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Town's net position and changes to it. Net position is the difference between assets and liabilities, which is one way to measure the Town's financial health or financial position. Over time, increases and decreases in net position is one indicator of whether the Town's financial health is improving or deteriorating. Other factors to consider are changes in the Town's property tax base and the condition of its infrastructure. In the statement of net position and statement of activities, the Town's activities are separated as follows:

*Governmental activities:* Most of the Town's basic services are reported in this category, including public safety, public works, and general administrative services. Property taxes, excise taxes, user fees, interest income, cable television franchise fees and State and Federal grants finance these activities.

*Business-type activities:* Parks and Recreation is considered a "business-type" activity. A fee is charged to visitors to cover costs associated with admission to and

use of Bristol's parks. Parks and Recreation is completely self-supporting through admissions, rental income and other user fees and donations.

### **Fund Financial Statements**

The fund financial statements provide detailed information about the most significant funds, not the Town as a whole. A fund is a grouping of related accounts used to maintain control over resources that have been segregated for specific activities or objectives. Some funds are required to be established by State law or by grantor. In the Town of Bristol, these include worthy poor funds, cemetery funds and a small fund set aside for maintenance of the Rock Schoolhouse. During 2018, the town opened two new dedicated accounts: a Restricted Funds account to hold proceeds of a major grant for replacement of the fish ladder; and a Veterans' Memorial account for donations for the proposed memorial. Management also establishes other funds to help it control and manage money for particular purposes, using funds set aside by vote of the Town or by the Parks and Recreation Commissioners. In fiscal year 2018 Bristol had eleven such "capital reserve" accounts: the Bridge Fund, the Building Fund, the Computer Fund, the Bristol Dam Fish Ladder Fund, the Highway Equipment Fund, the Landings and Harbors Fund, the Revaluation Fund, the Parks Fund, the Learning Center Fund, the Fire Truck Fund and the Facility Maintenance Fund which offsets capital expenditures for Bristol's three fire stations.

### **Governmental Funds**

Most of the Town's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the remaining balances at year end that are available for spending. These funds are reported using an accounting method called "modified accrual", which measures cash and all other financial assets that can be readily converted to cash. The governmental fund statements provide a detailed, shorter-term view of the Town's general government operations and the basic services it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the Town's programs. The Town's governmental funds consist of the following:

*General Fund:* The general operating fund of the Town used to account for all financial resources except those required to be accounted for in another fund.

*Proprietary Funds:* When the Town charges customers for services it provides (business-type activities), these services are generally reported in proprietary funds. Proprietary funds are reported in the same way that all activities are reported in the Statement of Net Assets and Statement of Activities.

*Fiduciary Funds:* The Town's fiduciary funds are held in trust for the benefit of others. These funds are not included in the government-wide financial statements and cannot be used to support general government activities and operations.

### **Governmental Activities**

The cost of all governmental activities in 2018 was \$7,234,521.50, an increase of \$114,554.92 in comparison to 2017. Some of the costs were paid by those who

directly benefited from the programs, or by other governments and organizations that subsidized certain programs with operating grants and contributions. The Town paid for the “public benefit” portion of governmental activities with property taxes and through additional sources such as excise tax, interest revenue, State revenue sharing, cable television franchise fees and other miscellaneous revenues. Town programs include education, general government, health and welfare, highways and bridges, protection, special assessments (County tax), and unclassified. Each program’s net cost (total cost less revenues generated by activities) is presented below. The net costs show the financial burden placed on the Town’s taxpayers by each of the functions:

<b>Governmental Activities</b>	<b>Net Cost 2018</b>	<b>Net Cost 2017</b>	<b>Net Cost 2016</b>
Education	4,284,340.08	3,823,588.35	3,989,021.73
General Government	454,362.57	522,910.80	541,968.91
Health and Welfare	299,713.86	297,393.54	303,918.60
Highways and Bridges	485,125.63	764,331.32	834,439.04
Protection	411,699.41	400,097.11	337,962.33
County Tax	1,328,624.68	1,291,093.93	1,246,397.72
Unclassified	(35,043.60)	(16,537.38)	(25,077.43)
Debt Service Interest	5,698.87	10,088.91	15,012.32
<b>Total</b>	<b>7,234,521.50</b>	<b>7,092,966.58</b>	<b>7,243,632.22</b>

On December 31, 2018, Bristol’s net position for governmental activities totaled \$9,604,690.46. The net position as of December 31, 2017 was \$9,528,468.41 thus an increase in net position of \$76,222.05 during fiscal year 2018.

### **Business-Type Activities**

The cost of the Town’s only proprietary fund, Bristol Parks and Recreation, was \$343,279.64. The amount paid by users of the system and raised through grants and donations was \$727,888.41, resulting in a net gain of \$384,608.77. Much of this gain is set aside for use in renewal of the pavilion at the Pemaquid Beach Park.

### **Budgets and Budgetary Accounting**

The breakdown of actual expenditures for the year may be found in the Selectmen’s Financial Report which is part of the 2018 Annual Report of the Town of Bristol. This could be compared with the proposed budget for 2019 to ascertain potential increases or decreases in individual budgetary items.

### **Administrative Notes**

Bristol had just one outstanding loan at the end of fiscal year 2018: a fire truck loan which matures in 2023. The following is a comparison of total long-term debt as of December 31st of each fiscal year:

<b>FY 2018</b>	<b>FY 2017</b>	<b>FY 2016</b>
<b>101,270.67</b>	<b>190,644.06</b>	<b>367,143.86</b>

There was an increase in the County Tax assessment as compared with fiscal year 2017.

<b>FY 2018</b>	<b>FY 2017</b>	<b>FY 2016</b>
<b>1,328,624.68</b>	<b>1,291,093.93</b>	<b>1,246,397.72</b>

There was an increase in unappropriated surplus as compared with fiscal year 2017.

<b>FY 2018</b>	<b>FY 2017</b>	<b>FY 2016</b>
<b>1,276,461.14</b>	<b>1,256,622.37</b>	<b>1,181,527.00</b>

The mill rate was unchanged at 6.25 per \$1,000.00 of valuation in fiscal year 2018, the same rate as in fiscal year 2017. In 2017, the mill rate was adjusted to reflect the revaluation of property throughout the Town. Based on the old valuations, the mill rate in fiscal year 2016 was 7.90 per \$1,000.00 of valuation in 2016.

Education accounted for approximately 65% of the tax commitment followed by the County tax assessment at 20% and the Municipal budget at 15%.

Bristol's financial position continues to be exemplary. The Municipal Officers continue to pursue ways to contain the cost of providing essential services to Bristol's taxpayers. Bristol taxpayers should, however, be prepared to face growing needs for funds as enrolment in the Bristol School rises (following four decades of slow decline), as we face increased demands for infrastructure, and as the rising costs of law enforcement (through the County tax), health care (including ambulance services) and education surpass the overall inflation rate.

Change in Net Position				76,222.05	384,608.77	221,021.75
Other Changes in Net Position:						
Transfers in from Parks						1,030.34
Transfers in from Cemetery						700.00
Net Position, January 1				9,528,468.41	427,015.42	9,732,731.74
<b>Net Position, December 31</b>				<b>9,604,690.46</b>	<b>811,624.19</b>	<b>9,955,483.83</b>

**Exhibit C: Reconciliation of Total Governmental Fund Balance to Net Position of Governmental Activities for the Years Ended December 31, 2018 and 2017**

<b>GOVERNMENTAL FUND BALANCES:</b>	<b>2018</b>	<b>2017</b>
Restricted for:		
Capital Projects (Schedule A-15)	563,915.91	331,933.33
Other Purposes (Schedule A-4)	855,165.23	1,353,918.79
Unassigned (Schedule A-3)	1,276,461.14	1,256,622.37
<b>Total Governmental Fund Balances (Exhibit F)</b>	<b>2,695,542.28</b>	<b>2,942,474.49</b>
Amounts reported for governmental activities in the Statements of Net Position are different because:		
Capital assets used in governmental activities are not financial resources and therefore are not reported in the funds.	6,761,958.01	6,595,209.16
Deferred outflows are deferred as expense in the fund financial statements and in the government-wide financial statements as expense in the year following the year paid.	108,774.15	101,782.78
Property taxes not collected within sixty days after year end are deferred as revenue in the fund financial statements. In the government-wide financial statements the revenue is income in the year assessed.	192,623.69	190,275.62
Pension liability is not due and payable in the current period and therefore is not reported in the funds.	(39,524.00)	(50,244.00)
Notes payable are not due and payable in the current period and therefore are not reported in the funds.	(101,270.67)	(190,644.06)
Deferred inflows are deferred revenues related to pension expenses that are amortized in the government-wide financial statements.	(13,413.00)	(12,380.00)
<b>Net Position of Governmental Activities (Exhibit A)</b>	<b>9,604,690.46</b>	<b>9,576,473.99</b>

**Exhibit D: Reconciliation of the Statements of Revenues, Expenditures, and Changes in Fund Balance of Governmental Funds to the Statements of Activities for the Years Ended December 31, 2018 and 2017**

	<b>2018</b>	<b>2017</b>
Net Change in Fund Balances - Total Governmental Funds (Exhibit F)	(198,926.63)	302,411.74
Amounts reported for governmental activities in the Statements of Activities are different because:		
Governmental funds report capital outlays as expenditures. However, in the Statements of Activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlays exceeds depreciation (depreciation exceeds capital outlays).	174,134.57	(300,190.17)
Repayment of loan principal is an expenditure in the governmental funds, but the repayment reduces liabilities in the Statements of Net Position.	89,373.39	176,454.80
Net book value of asset disposition.	(7,385.72)

## Notes to Financial Statements

### **NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

The accounting policies of the Town of Bristol conform to generally accepted accounting principles as applicable to governmental units.

#### **1. Financial Reporting Entity**

The Town of Bristol was incorporated in 1765. The Town operates under a town meeting form of government.

In evaluating the Town of Bristol as a reporting entity, management has addressed all potential component units. The primary criteria for including a component reporting entity are the exercise of financial accountability by the Town of Bristol's municipal officials.

The Town's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America. The Governmental Accounting Standards Board (GASB) is responsible for establishing Generally Accepted Accounting Principles (GAAP) for state and local governments through its pronouncements (Statements and Interpretations). Governments are also required to follow the pronouncements of the Financial Accounting Standards Board (FASB) issued through November 30, 1989 (when applicable) that do not conflict with or contradict GASB pronouncements.

#### **2. Basic Financial Statements - Government-Wide Statements**

The Town's basic financial statements include both government-wide (reporting the Town as a whole) and fund financial statements (reporting the Town's major funds). Both the government-wide and fund financial statements categorize primary activities as governmental. The Town's fire protection, recreation, public works, and general administrative services are classified as governmental activities.

In the government-wide Statements of Net Position, the governmental column is presented on a consolidated basis by column, and is reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The Town's net position is reported in three parts - net invested in capital assets; restricted; and unrestricted. The Town first utilizes restricted resources to finance qualifying activities.

The government-wide Statements of Activities reports both the gross and net cost of each of the Town's functions and business-type activities (fire, public works, administrative, etc.). The functions are also supported by general government revenues (property, certain intergovernmental revenues, fines, permits, and charges, etc.). The Statements of Activities reduces gross expenses (including depreciation) by related program revenues and operating and capital grants. Program revenues must be directly associated with the function (fire, public works, etc.). Operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects capital-specific grants.

The net costs (by function or business-type activity) are normally covered by general revenue (property, intergovernmental revenues, interest income, etc.).

This government-wide focus is more on the sustainability of the Town as an entity and the change in the Town's net position resulting from the current year's activities.

### **3. Basic Financial Statements - Fund Financial Statements**

The financial transactions of the Town are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, reserves, fund equity, revenues, and expenditures/expenses. The various funds are reported by generic classification within the financial statements.

The following fund types are used by the Town:

#### **a. Governmental Funds:**

The focus of the governmental funds' measurement (in the fund statements) is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income. The following is a description of the governmental funds of the Town:

##### **1. General Fund:**

General Fund is the general operating fund of the town. It is used to account for all financial resources except those required to be accounted for in another fund.

##### **2. Capital Projects:**

Capital Projects funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities and equipment.

##### **3. Fiduciary Funds:**

Fiduciary Funds are used to report assets held in a trustee or agency capacity for others and therefore are not available to support town programs. The reporting focus is on net assets and changes in net assets and is reported using accounting principles similar to proprietary funds.

The emphasis in fund financial statements is on the major funds in either the governmental or business-type activities categories. Nonmajor funds by category are summarized into a single column. GASB No. 34 sets forth minimum criteria (percentage of the assets, liabilities, revenues, or expenditures/expenses of either fund category) for the determination of major funds.

The Town's fiduciary funds are presented in the fiduciary fund financial statements. Since by definition these assets are being held for the benefit of a third party and cannot be used to address activities or obligations of the government, these funds are not incorporated into the government-wide statements.

##### **4. Proprietary Fund:**

The Proprietary Fund is the fund used to account for all financial resources relating to the Parks and Recreation Department. The generally accepted accounting principles applicable are those similar to business in the private sector.

### **4. Basis of Accounting**

Basis of accounting refers to the point at which revenues or expenditures/expenses are recognized in the accounts and reported in the financial statements. It relates to the timing of the measurements made regardless of the measurement focus applied:

#### **a. Accrual:**

Governmental activities in the government-wide financial statements and fiduciary fund financial statements are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

**b. Modified Accrual:**

The governmental funds financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e. both measurable and available. "Available" means collectible within the current period or within 60 days after year end. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred. The exception to this general rule is that principal and interest on general obligation long-term debt, if any, is recognized when due.

**5. Financial Statement Amounts****a. Cash and Cash Equivalents:**

The Town has defined cash and cash equivalents to include cash on hand, demand deposits, and cash with fiscal agents. Statutes authorize the Treasurer of the Town, as directed by the municipal officers, to invest all municipal funds, including reserve and trust funds, to the extent that the terms of the instrument, order, or article creating the fund do not prohibit the investment in financial institutions as described in Section 5706 MRSA and securities as described in Sections 5711 through 5717 MRSA.

**b. Capital Assets:**

Capital assets purchased or acquired with an original cost of \$2,000.00 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

Buildings	20-50 Years
Machinery and Equipment	5-10 Years
Improvements	10-20 Years
Other Infrastructure	10-50 Years

**c. Revenues:**

Substantially, all governmental fund revenues are accrued. Property taxes are billed and collected within the same period in which the taxes are levied. In applying GASB No. 33 to grant revenues, the provider recognizes liabilities and expenses and the recipient recognizes receivables and revenue when the applicable eligibility requirements, including time requirements, are met. Resources transmitted before the eligibility requirements are met are reported as advances by the provider and deferred revenue by the recipient.

**d. Expenditures:**

Expenditures are recognized when the related fund liability is incurred.

**e. Deferred Inflows and Outflows of Resources:**

In addition to assets, the Statement of Net Position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense) until that time. The deferred outflows relate to the net pension liability, which include the Town's contributions subsequent to the measurement date, which is recognized as a reduction of the net pension liability in the subsequent year. They also include changes in assumptions, differences between expected and actual experience, and changes in proportion and

differences between Town contributions and proportionate share of contributions, which are deferred and amortized over the average expected remaining service lives of active and inactive members in the plan.

In addition to liabilities, the Statement of Net Position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The deferred inflows relate to the net pension liability, which include the differences between expected and actual experience and changes in proportion and differences between Town contributions and proportionate share of contributions, which is deferred and amortized over the average expected remaining service lives of active and inactive members in the plan. They also include the net difference between projected and actual earnings on pension plan investments, which is deferred and amortized over a five-year period.

**f. Use of Estimates:**

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**g. Fund Balance:**

In accordance with GASB Statement No. 54, the Town employs terminology and classifications for fund balance items as follows:

Nonspendable fund balances includes amounts that cannot be spent because they are not in spendable form or legally or contractually required to be maintained intact.

Restricted fund balances represent those portions of fund equity that have externally enforceable legal restrictions.

Committed fund balances are amounts that can be used only for specific purposes because of a formal action taken by town government. The fund balances in the Capital Projects Fund are in this category.

Assigned fund balances are amounts that the Town intends to use for specific purposes. The Board of Selectmen approved carryovers are included in assigned fund balances.

Unassigned fund balances are all amounts in the General Fund that are not assigned to another category. Only the General Fund can have an unassigned fund balance.

## **6. Implementation of New Accounting Standards**

During the year ended June 30, 2018, the following statements of financial accounting standards issued by the Governmental Accounting Standards Board became effective:

a. Statement No. 73, "Accounting and Financial Reporting for Pensions and Related Assets that are not within the Scope of GASB Statement 68, and Amendments to Certain Provisions of GASB Statements 67 and 68". The objective of the Statement is to improve financial reporting by instituting a single framework for the presentation of information about pensions, thereby expanding the comparability of pension-related information reported by state and local governments. Management has determined that this Statement is not applicable.

b. Statement No. 74, "Financial Reporting for Postemployment Benefit Plans Other Than

Pension Plans". The objective of the Statement is to improve the disclosure of information about benefits other than pensions (other postemployment benefits or OPEB) included in financial statements of state and local governments. This Statement will improve financial reporting through enhanced note disclosures and schedules of required supplementary information that will be presented by OPEB plans that are administered through trusts that meet specified criteria. Management has determined that this Statement is not applicable.

c. Statement No. 77, "Tax Abatement Disclosures". The objective of the Statement is to improve disclosure of information about the nature and magnitude of tax abatements, making these transactions more transparent to financial statement users. As such, users will be better equipped to understand (1) how tax abatements affect a government's future ability to raise resources and meet its financial obligations and (2) the impact those abatements have on a government's financial position and economic condition. Management has determined the impact of this Statement is not material to the financial statements.

d. Statement No. 80, "Blending Requirements for Certain Component Units". The objective of this Statement is to improve financial reporting by clarifying the financial statement presentation requirements for certain component units. The additional criterion requires blending of a component unit incorporated as a not-for-profit corporation in which the primary government is the sole corporate member. The additional criterion does not apply to component units included in the financial reporting entity pursuant to the provisions of Statement No. 39, Determining Whether Certain Organizations Are Component Units. Management has determined the impact of this Statement is not material to the financial statements.

e. Statement No. 81, "Irrevocable Split-Interest Agreements". The objective of this Statement is to improve accounting and financial reporting for irrevocable split-interest agreements by providing recognition and measurement guidance for situations in which a government is a beneficiary of the agreement. Split-interest agreements are a type of giving agreement used by donors to provide resources to two or more beneficiaries, including governments. Split-interest agreements can be created through trusts or other legally enforceable agreements with characteristics that are equivalent to split-interest agreements - in which a donor transfers resources to an intermediary to hold and administer for the benefit of a government and at least one other beneficiary. Examples of these types of agreements include charitable lead trusts, charitable remainder trusts, and life-interests in real estate. As such, this Statement requires that a government that receives resources pursuant to an irrevocable split-interest agreement recognize assets, liabilities, and deferred inflows of resources at the inception of the agreement. Management has determined the impact of this Statement is not material to the financial statements.

f. Statement No. 82, "Pension Issues". The objective of this Statement is to address certain issues that have been raised with respect to Statements No. 67, Financial Reporting for Pension Plans, No. 68, Accounting and Financial Reporting for Pensions, and No. 73, Accounting and Financial Reporting for Pensions and Related Assets that are not within the Scope of GASB Statement 68, and Amendments to Certain Provisions of GASB Statements 67 and 68. Specifically, this Statement addresses issues regarding (1) the presentation of payroll-related measures in required supplementary information, (2) the selection of assumptions and the treatment of deviations from the guidance in an Actuarial Standard of Practice for financial reporting purposes, and (3) the classification of payments made by employers to satisfy employee (plan member) contribution requirements. Management has determined the impact of this Statement is not material to the financial statements.

## 7. Subsequent Notes

The Town of Bristol has evaluated the subsequent events through January 18, 2019, the date the financial statements were available to be issued. No subsequent events were identified which required accrual or disclosure.

### NOTE B - CASH:

#### Cash

The Town's cash is categorized to give an indication of the level of risk assumed by the Town at year end. These categories are defined as follows:

Category #1 - Insured or collateralized with securities held by the Town or by its agent in the Town's name.

Category #2 - Collateralized with securities held by the pledging financial institution's trust department or agent in the Town's name.

Category #3 - Uncollateralized (This includes any bank balance that is collateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the Town's name.)

At December 31, 2018 cash consisted of:

ACCOUNT TYPE	CARRYING AMOUNT	BANK BALANCE	CATEGORY #1	CATEGORY #2	CATEGORY #3
Interest Bearing Accounts	3,348,308.27	3,386,879.55	3,386,879.55	-	-

### NOTE C - ACCOUNTS RECEIVABLE:

Accounts Receivable consists of the following:

State Homestead	13,430.96
State of Maine GA	402.08
	<b>13,833.04</b>

#### Allowance for Uncollectible Accounts

An allowance for doubtful accounts is not considered necessary at December 31, 2018.

### NOTE D - NOTES AND BONDS PAYABLE:

The following is a summary of note and bond transactions of the Town for the year ended December 31, 2018:

	BALANCE 1/1/18	ADDITIONS	REDUCTIONS	BALANCE 12/31/18
<b>General Fund:</b>				
Bath Savings Institution - Fire Truck	68,591.24		68,591.24	
The First - Fire Truck	122,052.82		20,782.15	101,270.67
	<b>190,644.06</b>		<b>89,373.39</b>	<b>101,270.67</b>

Long-Term Debt as of December 31, 2018 is as follows:

#### General Fund:

##### The First - Fire Truck

This note is for 10 years with monthly principal and interest payments of \$1,997.95 and a final payment of remaining principal and any accrued interest. The interest rate is 2.750%.

101,270.67

The annual requirement to amortize notes and bonds payable as of December 31, 2018 follows:

<b>YEAR ENDING DECEMBER 31</b>	<b>PRINCIPAL</b>	<b>INTEREST</b>	<b>TOTAL</b>
2019	21,459.59	2,515.81	23,975.40
2020	22,057.23	1,918.17	23,975.40
2021	22,671.51	1,303.89	23,975.40
2022	23,302.90	672.50	23,975.40
2023	11,779.44	94.01	11,873.45
	<b>101,270.67</b>	<b>6,504.38</b>	<b>107,775.05</b>

#### **NOTE E - GENERAL FUND BUDGET:**

The Town operates on a net budget as compared with a gross budget. All revenues are not estimated, but are credited to the particular operating account. Certain revenues are dedicated for particular purposes by vote of the townspeople at the annual town meeting or at special town meetings.

At the annual town meeting, held in March of each year, the townspeople vote on various articles on which amounts for appropriations have been recommended by the Board of Selectmen and/or the budget committee.

#### **NOTE F - ASSIGNED FOR OTHER PURPOSES:**

Historically, the townspeople vote to carry certain departmental unexpended balances forward to the following year for expenditure. This is usually in lieu of additional appropriations in any particular account.

General Government	54,609.00
Education	631,361.44
Highways and Bridges	119,050.46
Protection	48,513.09
Unclassified	1,631.24
	<b>855,165.23</b>

#### **NOTE G - REVENUE RECOGNITION - PROPERTY TAXES:**

The Town's property tax for the current year was levied May 31, 2018 on the assessed value listed as of April 1, 2018 for all taxable real and personal property located in the Town. Taxes were due September 15, 2018 with interest at 8% per annum or part thereof commencing September 16, 2018.

Tax liens are filed against delinquent real estate taxpayers after eight months but within one year of the original tax commitment. If the tax, interest, and costs have not been paid eighteen months after the filing of a lien certificate then the lien is automatically foreclosed.

The National Council on Governmental Accounting (N.C.G.A.) Interpretation No. 3 requires that property tax revenue be recognized only to the extent it will be collected within sixty days following the year end. The deferred tax revenue shown on the balance sheet represents property taxes not expected to be collected within sixty days after the year end.

Property taxes are recognized when they become available. Available includes those taxes expected to be collected within sixty days after year end as stated above.

**NOTE H - MAINE PUBLIC EMPLOYEES RETIREMENT SYSTEM:****Summary of Significant Accounting Policies**

**Pensions** - For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows for resources related to pensions, and pension expense, information about the fiduciary net position of the Maine Public Employees Retirement System State Employee and Teacher Plan (SET Plan) and additions to/deductions from the Plan's fiduciary net position have been determined on the same basis as they are reported by the Plans. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

**Maine Public Employees Retirement System*****General Information about the Pension Plan***

**Plan Description** - Teaching-certified employees of the Town of Bristol are provided with pensions through the Maine Public Employees Retirement System State Employee and Teacher Plan (SET Plan), cost-sharing multiple-employer defined benefit pension plans, administered by the Maine Public Employees Retirement System (MPERS). Benefit terms are established in Maine statute. MPERS issues a publicly available financial report that can be obtained at [www.maineopers.org](http://www.maineopers.org).

**Benefits provided** - The SET Plan provides defined retirement benefits based on members' average final compensation and service credit earned as of retirement. Vesting (i.e. eligibility for benefits upon reaching qualification) occurs upon the earning of five years of service credit. In some cases, vesting occurs on the earning of one year of service credit immediately preceding retirement at or after normal retirement age. For SET members, normal retirement age is 60, 62, or 65. The normal retirement age is determined by whether a member had met certain creditable service requirements on specific dates, as established by statute. The monthly benefit of members who retire before normal retirement age by virtue of having at least 25 years of service credit is reduced by a statutorily prescribed factor for each year of age that a member is below her/his normal retirement age at retirement. MPERS also provides disability and death benefits, which are established by statute.

**Contributions** - Employee contribution rates are defined by law or Board rule and depend on the terms of the plan under which an employee is covered. Employer contributions are determined by actuarial valuations. The contractually required contribution rates are actuarially determined as an amount that, when combined with employee contributions, is expected to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability.

**SET Plan** - Maine statute requires the State to contribute a portion of the Town's contractually required contributions. Employees are required to contribute 7.65% of their annual pay. The Town of Bristol's contractually required contribution rate for the year ended December 31, 2018 was 15.05% of annual payroll of which 3.97% of payroll was required from the Town and \$169,765.78 was required from the State. Contributions to pension plan from the Town was \$14,230.44 for the year ended December 31, 2018.

***Pension Liabilities, Pension Expense, and Deferred Outflows and Deferred Inflows of Resources Related to Pensions***

The net pension liabilities were measured as of June 30, 2017 and the total pension liabilities used to calculate the net pension liabilities were determined by actuarial valuations as of

that date. The Town's proportion of the net pension liabilities were based on projections of the Town's long-term share of contributions to the pension plans relative to the projected contributions of all participating School Administrative Units and the State (SET Plan), actuarially determined.

**SET Plan** - At June 30, 2018, the Town reported a liability for its proportionate share of the net pension liability that reflected a reduction for State pension support provided to the Town. The amount recognized by the Town as its proportionate share of the net pension liability, the related State support, and the total portion of the net pension liability that was associated with the Town were as follows:

Town of Bristol's Proportionate Share of the Net Pension Liability	39,524.00
State's Proportionate Share of the Net Pension Liability Associated with the Town of Bristol	1,676,676.00
<b>Total</b>	<b><u>1,716,200.00</u></b>

At June 30, 2018, the Town of Bristol's proportion of the SET Plan was .002721%.

For the year ended December 31, 2018, the Town recognized pension income of \$16,678.33 and revenue of \$169,765.78 for support provided by the State for the SET Plan. At December 31, 2018, the Town reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	<b>Deferred Outflows of Resources</b>	<b>Deferred Inflows of Resources</b>
Differences Between Expected and Actual Experience	1,662.00	-
Changes in Assumptions		618.00
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	11,027.00	11,608.00
Changes in Proportion and Differences between Town Contributions and Proportionate Share of Contributions	4,911.00	1,187.00
Town Contributions Subsequent to the Measurement Date	91,174.15	
<b>Total</b>	<b><u>108,774.15</u></b>	<b><u>13,413.00</u></b>

\$91,174.15 is reported as deferred outflows and resources related to pensions resulting from the Town of Bristol's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liabilities in the year ended December 31, 2018. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

**Year ended December 31:**

2018	3,827.00
2019	2,213.00
2020	264.00
2021	(2,117.00)

**Actuarial assumptions** - The total pension liability in the June 30, 2017 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

	<b>SET Plan</b>
Inflation	2.75%
Salary Increases, per year	2.75% - 14.5%
Investment return, per annum, compounded annually	6.875%
Cost of living benefit increases, per annum	2.20%

Mortality rates were based on the RP2014 Total Dataset Healthy Annuitant Mortality Table for Males and Females.

The actuarial assumptions used in the June 30, 2017 valuation were based on the results of an actuarial experience study for the period July 1, 2005 to June 30, 2010.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2018 are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Public Equities	30.0%	6.0%
US Government	7.5%	2.3%
Private Equity	15.0%	7.6%
Real Assets:		
Real Estate	10.0%	5.2%
Infrastructure	10.0%	5.3%
Natural Resources	5.0%	5.0%
Traditional Credit	7.5%	3.0%
Alternative Credit	5.0%	4.2%
Diversifiers	10.0%	5.9%

**Discount Rate** - The discount rate used to measure the total pension liability was 6.875% for the SET Plan. The projection of cash flows used to determine the discount rates assumed that employee contributions will be made at the current contribution rate and that contributions from participating local districts will be made at contractually required rates, actuarially determined. Based on these assumptions, the pension plans' fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liabilities.

**Sensitivity of the Town of Bristol's proportionate share of the net pension liabilities to changes in the discount rate** - The following presents the Town's proportionate share of the net pension liability calculated using the discount rate of 6.875% for the SET Plan, as well as what the Town's proportionate share of the net pension liability would be if it were calculated using the discount rate that is 1 percentage-point lower 5.875% for SET Plan or 1 percentage-point higher 7.875% for SET Plan than the current rate:

	1% Decrease (5.875%)	Current Discount (6.875%)	1% Increase (7.875%)
<b>SET Plan</b>			
Town of Bristol's Proportionate Share of the Net Pension Liability	69,352.00	39,524.00	14,896.00

**Pension Plan Fiduciary Net Position** - Detailed information about the pension plan's fiduciary net position is available in the separately issued MPERS financial report.

**Payables to the Pension Plan** - none as of December 31, 2018.

**Changes of Benefit Terms** - None

### **Changes of Assumptions - None**

#### ***General Information about the Pension Plan***

**Plan description** - Employees of the Town are provided with post employment benefits through the Maine Public Employees Retirement System Consolidated Plan, administered by the Maine Public Employers Retirement System (MPERS). Benefit terms are established in Maine statute. MPERS issues a publicly available financial report that can be obtained at [www.maineopers.org](http://www.maineopers.org).

#### ***Additional Financial and Actuarial Information***

Additional financial and actuarial information with respect to the Plans can be found in the System's 2017 Comprehensive Annual Financial Report available online at [www.maineopers.org](http://www.maineopers.org) or by contacting the System at (207) 512-3100.

#### ***Other Post-Employment Benefits (OPEB)***

The Group Life Insurance Plans (the Plans) provide basic group life insurance benefits during retirement, to retirees who participated in the Plans prior to retirement for a minimum of 10 years (the 10-year participation requirement does not apply to recipients of disability retirement benefits).

The level of coverage in retirement is initially set to an amount equal to the retiree's average final compensation. The initial amount of basic life is then subsequently reduced at the rate of 15% per year to the greater of 40% of the initial amount or \$2,500.00.

#### ***Funding Policy***

Premium rates are those determined by the System's Board of Trustees to be actuarially sufficient to pay anticipated claims. Premiums for basic life insurance coverage for retired teachers are paid by the State as the total dollar amount of each year's annual required contribution.

#### ***On-Behalf Payments***

As mentioned above, contributions are made by the System for participating retired teachers. The summary below provides the School Department's allocation of these contributions as well as the proportionate share of the net OPEB liability. The net OPEB liability is not recorded on the School financial statements since it is a liability of the State of Maine and not a liability of the School District.

	<b>On-Behalf Payments</b>	<b>Allocation of: Benefit Expense</b>	<b>Net OPEB Liability</b>
2017	2,042.00	2,507.00	22,535.00

#### ***Additional Financial and Actuarial Information***

Additional financial and actuarial information with respect to the Plans can be found in the System's 2017 Comprehensive Annual Financial Report available online at [www.maineopers.org](http://www.maineopers.org) or by contacting the System at (207) 512-3100.

### **NOTE I - INTERFUND RECEIVABLES AND PAYABLES:**

Due To and Due From Other Funds consist of the following:

Due From Worthy Poor Trust Fund	1,236.00
---------------------------------	----------

**NOTE J - PROPERTY, PLANT, AND EQUIPMENT:**

The following is a summary of changes in fixed assets at December 31, 2018:

	<b>BALANCE JANUARY 1, 2018</b>	<b>ADDITIONS AND DELETIONS</b>	<b>BALANCE DECEMBER 31, 2018</b>
Land and Land Improvements	1,337,343.19	371,693.47	1,709,036.66
Buildings	5,567,900.08	84,087.79	5,651,987.87
Equipment	2,511,046.81	43,493.09	2,554,539.90
Infrastructure	7,434,308.07	424,102.47	7,858,410.54
	<b>16,850,598.15</b>	<b>923,376.82</b>	<b>17,773,974.97</b>
Accumulated Depreciation	(10,072,028.69)	(704,507.56)	(10,776,536.25)
<b>Net Property, Plant, and Equipment</b>	<b>6,778,569.46</b>	<b>218,869.26</b>	<b>6,997,438.72</b>

**NOTE K - RISK MANAGEMENT:**

The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. All significant losses are covered by commercial insurance. There has been no significant reduction in insurance coverage. Settlement amounts have not exceeded insurance coverage for the current year or the three prior years.

**NOTE L - INTEREST COST INCURRED:**

During the current year the Town incurred interest costs totaling \$5,698.87 which was charged as an expense to protection.

**NOTE M - OVERLAPPING DEBT:**

The Town of Bristol is situated in Lincoln County and is therefore subject to annual assessment of its proportional share of county expenses. Long-term debt outstanding in Lincoln County for which the Town of Bristol would be proportionally responsible in the event the County defaulted, is approximately \$4,919,305.00 at December 31, 2018. The Town of Bristol's share would be 13.4% of the debt, or approximately \$659,187.00.

**NOTE N - EXPENDITURES IN EXCESS OF APPROPRIATIONS:**

During the year there were overdrafts in Homestead and Marsh Island Tax. Historically, Marsh Island Tax has been funded from unappropriated surplus, and the Homestead Appropriation was \$0.31 higher than revenue.

**NOTE O - JOINT VENTURE:**

The Towns of Bristol and South Bristol have entered into an interlocal agreement to provide for solid waste disposal facilities for the two communities. The joint venture is administered by a joint board composed of the Board of Selectmen from each town. All costs and revenues are shared in the ratio of 60% - Bristol and 40% - South Bristol.

The following is a summary of the joint venture financial statements:

	<b>TOTAL</b>	<b>BRISTOL'S SHARE</b>
Total Assets	284,393.51	170,636.11
Total Liabilities	4,097.54	2,458.52
<b>Total Net Position</b>	<b>280,295.97</b>	<b>168,177.59</b>
Total Revenues	528,862.72	317,317.63
Total Expenditures	549,106.17	329,463.70
<b>Change in Net Position</b>	<b>(20,243.45)</b>	<b>(12,146.07)</b>

Bristol's assessments paid to the joint venture in 2018 totaled \$233,680.00 and are recorded as expenditures.

#### **NOTE P - DEFERRED REVENUE:**

Deferred Revenue consists of the following:

Prepaid 2019 Taxes	1,672.84
State Revenue Sharing	3,249.23
	<b>4,922.07</b>

**SCHEDULE A-1: Budgetary Comparison Schedule - General Fund for the Year Ended December 31, 2018**

# 2018 Special Town Meetings

July 24, 2018

**Article 2.**

To see if the Town shall authorize the municipal officers to repair the Bristol Mills Dam, and construct a new fish passage sufficient to accommodate the expected maximum capacity for alewife migration in the Pemaquid River Watershed?

**ELECTION RESULTS:**

**YES: 992**

**NO: 105**

**Blanks: 11**

**Article 3.**

To see if the Town shall authorize the municipal officers to remove the Bristol Mills Dam, and construct a new water level control structure north of the Benner Road Stone Arch Bridge; a new public swimming facility at Ellingwood Park; and new dry hydrants as necessary to maintain fire protection water supplies?

**ELECTION RESULTS:**

**YES: 115**

**NO: 948**

**Blanks: 45**

**Article 4.**

To see if the Town shall authorize the municipal officers to transfer \$40,000 from surplus to be applied to the preparatory work to implement either Article 2 or Article 3 above?

**Selectmen recommend (3 – 0)**

**Budget Committee recommends (10 – 0)**

**ELECTION RESULTS:**

**YES: 1068**

**NO: 30**

**Blanks: 10**

## October 30, 2018

### **Article 2.**

To see if the Town will authorize the replacement of the current Beach Pavilion, without use of property tax or surplus funds.

**Action: The article was moved, seconded and voted to ACCEPT**

### **Article 3.**

To see if the Town will authorize the Selectmen to apply, on behalf of the Town, for federal financing assistance under the provisions of the Land and Water Conservation Fund Act, Public Law 88-578 for the development of the Pemaquid Beach Pavilion Replacement Project; and further authorize the Selectmen to enter into the Land and Water Conservation Fund Project Agreement with the State subsequent to federal approval of the project.

**Action: The article was moved, seconded and voted to ACCEPT**

### **Article 4.**

To see if the Town authorizes the expenditure of a \$300,000 private foundation grant for the Beach Pavilion replacement, and as a match for up to \$300,000 of federal grant funds.

**Action: The article was moved, seconded and voted to ACCEPT**

# Warrant for Annual Town Meeting

## March 18 & 19, 2019

To Sean M. Hunter, a resident in the Town of Bristol in the County of Lincoln and the State of Maine,

Greetings: In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Bristol, in said County and State, qualified by law to vote in town affairs, to meet at the Bristol Town Hall on Monday the 18<sup>th</sup> day of March, 2019 at 8:00 AM, then and there to act upon Article 1. The polls for voting on Article 2 shall be opened at 8:00 AM and will close at 8:00 PM. The remaining business to be transacted under this Warrant will be taken up on Tuesday, March 19<sup>th</sup>, 2019 at 7:00 PM at the Bristol Consolidated School Gymnasium.

**ARTICLE 1**

To elect a Moderator by written ballot to preside at said meeting.

**ARTICLE 2**

To choose by secret ballot the following public officials:

- One (1) Selectman/Assessor/Overseer of the Poor for a 3-year term
- Two (2) members of the School Committee for 3-year terms
- One (1) member of the Parks and Recreation Commission for a 3-year term
- Two (2) members of the Planning Board for 3-year terms

**ARTICLE 3**

To see what sum the Town will be authorized to expend for REGULAR INSTRUCTION.

**School Committee recommends (4-0): ..... \$2,536,791.47**

**Budget Committee recommends (10-0, 1 abstention): ..... Same**

**ARTICLE 4**

To see what sum the Town will be authorized to expend for SPECIAL EDUCATION INSTRUCTION.

**School Committee recommends (4-0): ..... \$977,665.28**

**Budget Committee recommends (11-0): ..... Same**

**ARTICLE 5**

To see what sum the Town will be authorized to expend for CAREER & TECHNICAL EDUCATION INSTRUCTION.

**School Committee recommends (4-0): ..... \$100.00**

**Budget Committee recommends (11-0): ..... Same**

**ARTICLE 6**

To see what sum the Town will be authorized to expend for OTHER INSTRUCTION.

**School Committee recommends (4-0):..... \$103,222.52**

**Budget Committee recommends (11-0): ..... Same**

**ARTICLE 7**

To see what sum the Town will be authorized to expend for STUDENT AND STAFF SUPPORT.

**School Committee recommends (4-0):..... \$298,870.86**

**Budget Committee recommends (11-0): ..... Same**

**ARTICLE 8**

To see what sum the Town will be authorized to expend for SYSTEM ADMINISTRATION.

**School Committee recommends (4-0):..... \$112,097.79**

**Budget Committee recommends (11-0): ..... Same**

**ARTICLE 9**

To see what sum the Town will be authorized to expend for SCHOOL ADMINISTRATION.

**School Committee recommends (4-0):..... \$236,841.67**

**Budget Committee recommends (11-0): ..... Same**

**ARTICLE 10**

To see what sum the Town will be authorized to expend for TRANSPORTATION AND BUSES.

**School Committee recommends (4-0):..... \$536,052.81**

**Budget Committee recommends (11-0): ..... Same**

**ARTICLE 11**

To see what sum the Town will be authorized to expend for FACILITIES MAINTENANCE.

**School Committee recommends (4-0):..... \$441,671.77**

**Budget Committee recommends (11-0): ..... Same**

**ARTICLE 12**

To see what sum the Town will be authorized to expend for DEBT SERVICE.

**School Committee recommends (4-0):..... \$0.00**

**Budget Committee recommends (11-0): ..... Same**

**ARTICLE 13**

To see what sum the Town will be authorized to expend for ALL OTHER EXPENDITURES.

**School Committee recommends (4-0):..... \$18,912.09**

**Budget Committee recommends (11-0): ..... Same**

**ARTICLE 14**

To see whether the Town will authorize the Bristol School Committee to transfer, in addition to the statutorily allowed 5%, an additional 10% (for a total of 15%) of funds between budget cost centers as necessary in the best interest of the Bristol School Department, provided that such transfers will not increase the total budget of the Bristol School Department.

**ARTICLE 15 SUMMARIZES THE PROPOSED SCHOOL BUDGET**

**ARTICLE 15**

*(This article is required by Maine Revised Statutes, Title 20-A, §15690 (4A).)*

To see what sum the Town will authorize the School Committee to expend for the fiscal year beginning July 1, 2019 and ending June 30, 2020 from the Town's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act; non-state-funded school construction projects; additional local funds for school purposes under Maine Revised Statutes, Title 20-A, section 15690; unexpended balances, tuition receipts, state subsidy and other receipts for the support of schools.

**School Committee recommends (4-0):..... \$5,262,226.26**

**Budget Committee recommends (11-0): ..... Same**

**ARTICLES 16 & 17 RAISE FUNDS FOR THE PROPOSED SCHOOL BUDGET**

School Budget Funding Summary	
Art. 16 Required (EPS) Local Raise Amount Estimate	\$3,103,831.97
Art. 17 Additional Local Raise Amount Estimate	<u>1,741,208.28</u>
<b>Total Local Funds Raised</b>	<b>\$4,845,040.25</b>
Fund Balance Forward	109,426.23
State Subsidy Estimate	<u>307,759.78</u>
<b>Total School Budget Request</b>	<b>\$5,262,226.26</b>

**ARTICLE 16**

To see what sum the Town will appropriate for the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act (**School Committee recommends \$3,411,591.75**) and to see what sum the Town will raise as the Town's contribution to the total cost of

*continued next page*

funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with Maine Revised Statutes, Title 20-A, section 15688.

**School Committee recommends..... \$3,103,831.97**

*Explanation: The Town’s contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that a municipality must raise in order to receive the full amount of State dollars.*

*(To “appropriate” means to devote (money or assets) to a special purpose; ‘to allow to be spent’. To “raise” means that this portion of the appropriation will be satisfied by local tax dollars. The difference between the “appropriate” amount and the “raise” amount is the amount of state subsidy.)*

**ARTICLE 17**

*(Written ballot required, per Maine Revised Statutes, Title 20-A, §15690 (3 A-B).)*

Shall the Town raise and appropriate \$1,741,208.28 in additional local funds, which exceeds the State’s Essential Programs and Services allocation model, to fund the budget recommended by the School Committee?

**The School Committee recommends \$1,741,208.28** for additional local funds and gives the following reasons for exceeding the State’s EPS funding model:

*Explanation: The additional local funds are those locally raised over and above the Town’s required contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, and local amounts raised for delivery of special education services, intervention services for students needing additional assistance, and to provide classroom instruction as deemed appropriate by the administration, the Bristol School Board and the residents of the town so as to help achieve the Town budget for educational programs.*

*(To “appropriate” means to devote (money or assets) to a special purpose; ‘to allow to be spent’. To “raise” means that this portion of the appropriation will be satisfied by local tax dollars. For this article, the “appropriate” amount, and the “raise” amount, are the same.)*

**ARTICLE 18 AUTHORIZES EXPENDITURE ON CAPITAL PROJECTS  
FORESEEN IN THE 2019-20 FISCAL YEAR**

**ARTICLE 18**

Shall the Bristol School Committee be authorized to transfer up to \$25,000.00 from undesignated fund balances at the end of the 2018-19 Fiscal Year to the Capital Projects Fund, previously established by the Town, and shall the School Committee be further authorized to expend up to \$300,000.00 from this reserve fund and from grants received, to finance the following capital expenses which include, but are not limited to:

Construction of a regulation softball field for girls' teams: .....\$300,000.00  
**School Committee recommends (4-0): ..... Approval**  
**Budget Committee recommends (7-4):..... Same**

**ARTICLE 19 AUTHORIZES EXPENDITURE OF GRANTS AND  
OTHER RECEIPTS FOR EDUCATION PURPOSES**

**ARTICLE 19**

Shall the Bristol School Committee be authorized to expend such sums as may be received from federal or state grants or programs or other sources during the fiscal year for education purposes provided that such grants, programs or other sources do not require the expenditure of other funds not previously appropriated?

**School Committee recommends (4-0): ..... Approval**

**ARTICLE 20 AUTHORIZES THE ADULT EDUCATION PROGRAM**

**ARTICLE 20**

To see if the Town will appropriate \$115,631.44 for CENTRAL LINCOLN COUNTY ADULT EDUCATION and raise \$10,371.18 as the local share; with authorization to expend any additional, incidental, or miscellaneous receipts in the interest and for the well-being of the adult education program.

**Request to Selectmen ..... \$10,371.18**  
**Selectmen recommend (3-0):       Taxation..... \$10,371.18**  
**Budget Committee recommends (10-0): ..... Same**

*Explanation: All towns in the Central Lincoln County Adult Education Program (CLCAEP) must agree to appropriate the total CLCAEP budget, and then raise their contribution to that budget.*

*(To “appropriate” means to devote money (or assets) to a special purpose; ‘to allow money to be spent.’ To “raise” means that this portion of the appropriation will be satisfied by Bristol’s local tax dollars.)*

**ARTICLE 21**

To see if the Town will vote to authorize the Selectmen to carry forward the unexpended balances of accounts as indicated in the 2018 Audit report, copies of which are in the Annual Report, on the Town's website, and on file in the Town Office.

**ARTICLE 22**

To see if the Town will vote to authorize the municipal officers to spend an amount not to exceed 3/12 of the budgeted amount in each budget category of the 2019 annual budget during the period from January 1, 2020 to the 2020 Annual Town Meeting.

**ARTICLE 23**

To see what sum the Town will vote to raise or appropriate for GENERAL GOVERNMENT.

Payroll.....	\$380,000.00
Town expense .....	70,000.00
Utilities and heating oil.....	10,000.00
Information Technology systems and software.....	20,000.00
Computer Capital Reserve Fund .....	<u>5,500.00</u>
TOTAL.....	\$485,500.00

**Selectmen recommend (3-0):**

Balance carried.....	\$32,749.45
Taxation .....	397,531.09
Surplus.....	25,500.00
Fees, interest and miscellaneous revenue .....	15,000.00
Franchise fees .....	<u>14,719.46</u>
TOTAL.....	\$485,500.00

**Budget committee recommends (11-0):** ..... Same

*Note: The Selectmen intend to re-name the Computer Capital Reserve Fund in 2019 to the 'Information Technology Capital Reserve Fund' to reflect its intended use for the diverse range of IT equipment required by the Town.*

**ARTICLE 24**

To see what sum the Town will vote to raise or appropriate for LIABILITY INSURANCE & WORKER'S COMPENSATION.

**Selectmen recommend (3-0):**

Balanced carried.....	\$3,399.30
Surplus.....	<u>26,600.70</u>
TOTAL.....	\$30,000.00

**Budget Committee recommends (12-0):** ..... Same

**ARTICLE 25**

To see what sum the Town will vote to raise or appropriate for BUILDING MAINTENANCE AND REPAIRS.

**Selectmen recommend (3-0):**

**Surplus..... \$10,000.00**  
    **Budget Committee recommends (12-0): ..... Same**  
*Note: In 2019 Selectmen intend to paint the Town Hall, and repair the roof of the Hanna Landing Storage Building. Additional funds, if needed, will be taken from the Buildings Capital Reserve Fund.*

**ARTICLE 26**

To see what sum the Town will vote to raise or appropriate for BUILDINGS CAPITAL RESERVE ACCOUNT.

**Selectmen recommend (3-0):**

**Taxation ..... \$5,000.00**  
    **Budget Committee recommends (12-0): ..... Same**

**ARTICLE 27**

To see what sum the Town will vote to raise or appropriate for ASSESSMENT.

**Assessment Reserve..... \$15,000.00**  
    **Annual maintenance contract..... 12,000.00**  
    **TOTAL..... \$27,000.00**  
    **Selectmen recommend (3-0):**  
    **Taxation ..... \$27,000.00**  
    **Budget Committee recommends (12-0): ..... Same**

**ARTICLE 28**

To see what sum the Town will vote to raise or appropriate for LEGAL FEES.

**Selectmen recommend (3-0):**

**Balance carried..... \$1,014.33**  
    **Surplus..... 8,985.67**  
    **TOTAL..... \$10,000.00**  
    **Budget Committee recommends (12-0): ..... Same**

**ARTICLE 29**

Shall an amendment to the Harbor Ordinance as approved by the Harbor Committee on February 14, 2019 and by the Selectmen on February 20, 2019 be enacted?

*The amendment is posted in the Town Office and on the Town's website, and is made part of this warrant by reference.*

**ARTICLE 30**

To see if the Town will authorize the Selectmen to expend funds raised and appropriated in 2018 for that year's TOWN ROAD MANAGEMENT, for contracted work not completed within the 2018 budget year, to complete such contracts in 2019.

**Selectmen recommend (3-0):**

Balance carried ..... \$47,410.09

Budget Committee recommends (11-0): ..... Same

**ARTICLE 31**

To see what sum the Town will vote to raise or appropriate for TOWN ROAD MANAGEMENT.

Road and Bridge Maintenance ..... \$575,000.00

Snow Removal ..... 340,000.00

Bridge Capital Reserve Fund ..... 20,000.00

Street Lights..... 6,000.00

TOTAL ..... \$941,000.00

**Selectmen recommend (3-0):**

Foundation grant for Upper Round Pond Road Bridge..... \$100,000.00

DOT Block Grant ..... 46,496.00

Surplus..... 151,884.99

Excise Tax ..... 642,619.01

TOTAL ..... \$941,000.00

Budget Committee recommends (10-0, 1 abstention): ..... Same

**ARTICLE 32**

To see what sum the Town will vote to raise or appropriate for TOWN GARAGE AND HIGHWAY EQUIPMENT.

Town Garage..... \$5,000.00

Highway Equipment Maintenance/Repair ..... 10,500.00

Highway Equipment Capital Reserve Fund..... 5,000.00

Diesel Fuel ..... 3,000.00

TOTAL ..... \$23,500.00

**Selectmen recommend (3-0):**

Balance Carried ..... \$16,119.01

Excise tax ..... 7,380.99

TOTAL ..... \$23,500.00

Budget Committee recommends (12-0): ..... Same

**ARTICLE 33**

To see what sum the Town will vote to raise or appropriate for the SOLAR ARRAY CAPITAL RESERVE ACCOUNT.

**Selectmen recommend (3-0):**

**Surplus..... \$10,000.00**  
**Budget Committee recommends (11-0, 1 abstention):..... Same**

**ARTICLE 34**

To see if the Town will allow the Selectmen to deposit proceeds from the sale of Town owned equipment to the appropriate capital reserve accounts.

**ARTICLE 35**

To see if the Town will allow the Selectmen to apply for, receive, and expend Federal and State government grants, and private donations and grants, for the benefit of the Town.

**ARTICLE 36**

To see what sum the Town will vote to raise or appropriate for FIRE & RESCUE.

**Bristol Fire & Rescue Operations ..... \$311,600.00**  
    **Tanker Note ..... 23,976.60**  
    **Fire Truck Capital Reserve Fund ..... 30,000.00**  
    **Facility Maintenance Fund..... 10,000.00**  
    **Dry Hydrants..... 20,000.00**  
    **TOTAL..... \$395,576.60**

**Selectmen recommend (3-0):**

- (i) Reallocation of balances carried, previously appropriated for the ISO Challenge and the Munro Bridge Dry Hydrant, to be reassigned to the ‘Dry Hydrants’ account;
- (ii) Appropriation as follows:

**Balances carried..... \$21,113.79**  
    **Taxation..... 374,462.81**  
    **TOTAL ..... \$395,576.60**  
**Budget Committee recommends (11-0, 1 abstention):..... Same**

**ARTICLE 37**

To see what sum the Town will vote to raise or appropriate for ORDINANCE ADMINISTRATION, to which sum shall be added the fees collected for Building Permits and the Town’s share of Plumbing Inspection fees.

**Selectmen recommend (3-0):**

**Surplus..... \$15,000.00**  
**Budget Committee recommends (12-0): ..... Same**

**ARTICLE 38**

To see what sum the Town will vote to raise or appropriate for TOWN LANDINGS & HARBORS.

**Selectmen recommend (3-0):**

Balance Carried ..... \$20,521.36

Budget Committee recommends (12-0): ..... Same

**ARTICLE 39**

To see what sum the Town will vote to raise or appropriate for TOWN LANDINGS & HARBORS CAPITAL RESERVE ACCOUNT.

**Selectmen recommend (3-0):**
