

Veterans Memorial Committee Meeting Minutes

01/08/2020

- Attendance: Sandra Lane, Frank Montuori, Janet Montuori, Lara Sargent, Russ Lane, Jean Reilly McGinn
- Updates: The group went over the DEP application that Peter Anderson provided. The materials list was discussed, and prices will need to be researched. Russie mentioned that there is a type of stone (or other material) that is “anti-tick” and he will find out specifically what that is. This material sounds like a great idea for this path to prevent ticks. Additional materials were added to the list such as plants, tools, flags, signs/plaques, garbage cans and solar lighting. Materials to be donated will be pursued before applying for any grants.
- If the DEP permit is not obtained by February 12th then the February meeting will be cancelled since next steps are dependent on the permit.
- Next Steps: Waiting for the DEP permit
- Lara will post the next meeting online and on the digital sign
- Thank you cards!
- Next Meeting: 2/12/2020
