

## **Veterans Memorial Committee Meeting**

2/27/2019

- Attendance: Andrea Cox, Sandra Lane, Russ Lane, Lara Sargent, Frank Montuori, Peter Anderson
- Finances: Sandra reported that the Committee received \$1000 donation from the Sons of the American Legion. Robert Sewall delivered the donation and said that once a plan is in place, the group can go to a meeting (held on the first Monday of each month) and ask for more money for a specific purpose. The total amount in the Veterans Memorial account is \$5863.89.
- Project: Peter Anderson attended to talk about how he could help with the project. He owns a landscape construction business and is willing to help manage this project. Peter asked questions about the path such as: What surface will be on the path? How wide will it be? The group discussed the sketch of the project and how the meandering path makes it more interesting. The group discussed the first step, which is permitting, and that the Code Enforcement Officer and the DEP would need to be involved. Peter said he would contact the DEP to get the permitting process started. A timeline was discussed, and the group would like to begin construction by Memorial Day, if possible. A cost breakdown will be the next step for the group.
- Flyer: Ken Perley came up with a flyer to be posted online and elsewhere asking for information on Bristol veterans. Lara typed it up and sent it to Andrea and Russ to post on the Facebook page.
- Town Report/  
Town Meeting: The town report is being dedicated to the Veterans Memorial Committee. Chris Hall asked that the group set up a table at the town meeting so people can see what is being planned and how they can become involved.
- Next Meeting: 3/13/2019 (if there is no school then there is no meeting)
