

Veterans Memorial Committee Meeting
10/10/2018

- Attended by: Andrea Cox, Sandra Lane, Russ Lane, Lara Sargent, Ken Perley, Janet Montuori, Frank Montuori, Joyce Thompson
- Veterans List: Ken gathered names for the consolidated list of veterans from Bristol. It is still a work in progress. Frank and Janet donated a book to the Legion that had all of the Vietnam Veterans listed. This might be a good resource to add to our list.
- 501(c)3 status: Starting a 501(c)3 requires a lot of paperwork and time. Finding another 501(c)3 organization to work under (like a Veteran group) would be easier and allow this committee to still accept donations and apply for grants under their status.
- Money: Lara will keep track of the donations and start a ledger to record as they come in
- Gravel: Andrea talked with O.W. Holmes and found that they are willing to donate hours of labor for the gravel path. She mentioned checking with Stuart Hanley, Peter Poland, Toby Plummer, Buzz Benner and Peter Anderson about possible donors of gravel.
- Veteran's Day: The Parks Department will host a reception on Observed Veterans Day (Monday, 11/12) at Ellingwood Information Center from 8-2 and serve coffee, baked goods, steamed hotdogs, chips, etc.
